

CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 30MM 1.54" 0 MOA MODULAR MOUNT, TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [BADGER ORDNANCE 30MM 1.54" 0 MOA MODULAR MOUNT, TAN](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034637

Safety Instructions for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This product is designed to enhance your shooting experience by providing a secure and stable mounting solution for optics and accessories. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the mount is installed correctly and securely before use.
- Regularly inspect the mount for any signs of wear or damage.
- Do not exceed the manufacturer's specified weight limits for mounted optics and accessories.
- Keep the mount and attached equipment out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the mount is compatible with your rifle and the accessories you intend to use.
- Avoid using the mount while under the influence of drugs or alcohol.
- Use appropriate safety gear when handling firearms and mounted equipment.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and accessories.

Instructions for Installation and Usage

1. Installation

- Begin by ensuring that your rifle is unloaded and pointed in a safe direction.
- Select the appropriate ring size (30mm, 34mm, or 35mm) for your optic.
- Align the mount with the mounting points on your rifle.
- Securely fasten the mount using the provided screws, ensuring that it is tightened to the manufacturer's specifications.
- Doublecheck that the mount is stable and does not move when pressure is applied.

2. Usage

- Once installed, attach your optic or accessory to the mount.
- Ensure that all connections are secure before using the rifle.
- When adjusting the mount or optic, do so in a safe environment with the rifle pointed in a safe direction.
- Regularly check the mount and optic for any signs of loosening or damage during use.

Disposal Instructions

- Dispose of the mount according to local regulations for nonhazardous materials.
- If the mount is damaged or no longer in use, consider recycling it if possible.
- Do not dispose of the mount in regular household waste if it can be recycled or reused.

Contact Information for Further Support

For any questions or concerns regarding the Badger Ordnance Condition One Modular Mount, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Badger Ordnance Condition One Modular Mount. Thank you for your attention to safety.
