

CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 34MM 1.54" 0 MOA MODULAR MOUNT, TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [BADGER ORDNANCE 34MM 1.54" 0 MOA MODULAR MOUNT, TAN](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034638

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions to ensure the safe use and installation of your new mount. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the mount is used only for its intended purpose, which is to securely attach optics and accessories to your rifle.
- Always inspect the mount for any signs of damage or wear before installation and use.
- Keep the mount out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only the recommended scope tube diameters (30mm, 34mm, or 35mm) with the mount.
- Ensure that the elevation setting (0 or 20 MOA) is appropriate for your shooting needs.
- Do not exceed the weight limit of the mount as specified by the manufacturer.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Regularly check the tightness of all screws and connections to ensure secure attachment.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your rifle is unloaded and pointed in a safe direction during installation.

2. Installation

- Locate the mounting position on your rifle where the mount will be attached.
- Align the mount with the rifle's mounting interface, ensuring the 1.70inch bore offset is correctly positioned.
- Securely fasten the mount using the provided screws, applying the recommended torque as specified in the product specifications.
- Doublecheck that all screws are tightened and that the mount is stable.

3. Usage

- Attach your optic or accessory to the mount, ensuring it is compatible with the mount specifications.
- Adjust your optic as necessary for optimal performance, keeping in mind the height and alignment.
- Regularly verify that the optic remains securely attached during use, especially after transport or heavy use.

Disposal Instructions

- Dispose of the mount and any packaging materials responsibly, following local regulations for electronic and nonelectronic waste.
- Do not dispose of the mount in regular household waste if it contains electronic components.

Contact Information for Further Support

For any inquiries or concerns regarding the Badger Ordnance Condition One Modular Mount, please refer to the manufacturer's website or contact their customer support directly.

Thank you for choosing Badger Ordnance, and enjoy your shooting experience safely!
