CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 30MM 1.54" 20 MOA MODULAR MOUNT, TAN

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: BADGER ORDNANCE 30MM 1.54" 20 MOA MODULAR MOUNT, TAN
- Manufacturer: BADGER ORDNANCE
- Product no.: 100034640
- Mfr. No.: 154-302
- Elevation: 20 MOA
- Finish: Tan
- Height: 1.54''
- Scope Tube Diameter: 30mm
- Style: Mount
- Delivery weight: 0.245kg
- Shipping height: 57mm
- Shipping width: 89mm
- Shipping length: 165mm

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Adhering to these guidelines will help you maximize the performance of your mount while ensuring your safety and the safety of others.

General Safety Guidelines

- **Product Safety**: Ensure that you read and understand all safety instructions before using the mount. This product is designed for use with rifle platforms and should not be used for any other purpose.
- **Enhanced Recalls**: Stay informed about any recalls by checking official channels. If a recall is issued, follow the instructions provided for returning or remedying the product.
- **Online Shopping**: If you purchased this product online, ensure that the seller complies with all safety regulations similar to those of physical stores.
- **Special Consumer Focus**: This product is not intended for use by children. Ensure that it is stored out of reach of children and vulnerable individuals.
- **EU Contact Point**: For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts**: Keep updated on product safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read the Manual**: Always read the instruction manual thoroughly before installation and use.
- **Inspect the Mount**: Check the mount for any signs of damage or wear prior to use. Do not use if damaged.
- **Proper Installation**: Ensure that the mount is installed correctly to avoid any accidents during use.
- **Use Compatible Accessories**: Only use accessories and optics that are compatible with the 30mm diameter and the specifications of the mount.
- **Secure Attachments**: Make sure all attachments are securely fastened to prevent them from loosening during use.
- **Avoid Excessive Force**: Do not apply excessive force when tightening screws or attachments, as this may damage the mount or the rifle.
- **Use in Safe Environments**: Utilize the mount in a safe environment and avoid using it in adverse weather conditions that may affect performance.

Instructions for Installation and Usage

1. **Gather Necessary Tools**: Before beginning installation, ensure you have the necessary tools, including a screwdriver and any specific tools recommended by the manufacturer.
2. **Position the Mount**: Select the desired location on your rifle for the mount. Ensure that it is aligned with your intended sighting system.
3. **Attach the Mount**:
   - Align the mount with the mounting points on your rifle.
   - Insert screws through the mount and into the rifle's mounting points.
   - Tighten screws securely, ensuring the mount is stable but avoiding overtightening.
4. **Install Optics**:
   - Place your optic into the mount.
   - Adjust the optic to the desired position and angle.
   - Secure the optic using the provided clamps or screws, ensuring it is tightly fastened.

5. **Final Inspection**: Once installed, doublecheck all connections and ensure everything is secure before use.
6. **Usage**: When using the rifle with the mount:
   - Maintain a proper grip and stance.
   - Regularly check the mount and optics for any signs of loosening or damage during use.

Disposal Instructions

- **Environmental Responsibility**: When disposing of the mount, follow local regulations for electronic waste and metal disposal.
- **Recycling**: If possible, recycle the mount and packaging materials to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of your Badger Ordnance Condition One Modular Mount, please refer to the designated EU contact point for assistance.

By following these instructions and guidelines, you can ensure a safe and effective experience with your Badger Ordnance Condition One Modular Mount. Thank you for prioritizing safety in your shooting activities.
