

CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 34MM 1.70" 0 MOA MODULAR MOUNT, TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [BADGER ORDNANCE 34MM 1.70" 0 MOA MODULAR MOUNT, TAN](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034644

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions and usage information to ensure the safe and effective operation of your mount. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure that the mount is used according to the manufacturer's instructions to prevent any accidents or injuries.
- **Enhanced Recalls:** Stay informed about any product recalls. Regularly check for updates to ensure your product is safe.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please reach out to the designated EU contact point for this product.
- **Rapid Alerts:** Stay updated on potential safety issues through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Inspection:** Before each use, inspect the mount for any signs of damage or wear. Do not use if damaged.
- **Compatibility:** Ensure that the mount is compatible with your rifle and optics. Refer to specifications for details.
- **Installation:** Follow installation instructions carefully to avoid improper mounting that could lead to accidents.
- **Weight Limit:** Do not exceed the recommended weight limit for attachments to avoid failure during use.
- **Secure Fastening:** Always ensure that all screws and fasteners are securely tightened before use.
- **Environmental Conditions:** Avoid using the mount in extreme weather conditions that could affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure you are working in a clean, dry environment.

2. Installation Steps:

- **Step 1:** Align the mount with the predrilled holes on your rifle's receiver.
- **Step 2:** Insert screws into the designated holes and handtighten them.
- **Step 3:** Use a torque wrench to tighten screws to the manufacturer's recommended torque specifications.
- **Step 4:** Attach your optics to the mount according to the manufacturer's instructions.

3. Usage:

- Always check that the mount is securely fastened before each shooting session.
- Maintain a proper cheek weld when using optics to ensure accuracy and comfort.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and mechanical products.
- Do not dispose of in regular household waste. Check for designated recycling points in your area.

Contact Information for Further Support

For any questions or concerns regarding the Badger Ordnance Condition One Modular Mount, please refer to the manufacturer's website or your point of purchase for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your Badger Ordnance Condition One Modular Mount safely and effectively.
