

CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 30MM 1.93" 0 MOA MODULAR MOUNT, TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [BADGER ORDNANCE 30MM 1.93" 0 MOA MODULAR MOUNT, TAN](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034645
- Mfr. No.: 193-300
- Elevation: 0 MOA

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions and usage information to ensure safe and effective use of your mount. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the mount is compatible with your rifle and optics before installation.
- Inspect the mount for any visible damage or defects before each use.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the mount and all accessories out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure that the rifle is unloaded before attempting to install the mount.
 - Use appropriate tools to avoid damaging the mount or the rifle.
- **Operational Safety:**
 - Do not exceed the weight limit specified by the manufacturer for mounted optics and accessories.
 - Regularly check the tightness of the mount to prevent loosening during use.
 - Avoid using the mount in extreme conditions (e.g., high temperatures, heavy precipitation) without proper precautions.
- **User Awareness:**
 - Be aware of your surroundings while using the mounted optics to prevent accidents.
 - Ensure that all users are trained in the safe handling of firearms and accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Align the mount with the rifle's mounting platform.
- Secure the mount using the appropriate screws or fasteners provided.
- Tighten all screws to the manufacturer's recommended torque settings.

2. Usage:

- After installation, check the alignment of the optics mounted on the modular mount.
- Adjust the optics as necessary to ensure a clear line of sight.
- Regularly inspect the mount during use to ensure it remains secure.

Disposal Instructions

- Dispose of the mount and any packaging materials in accordance with local regulations.
- Do not dispose of the mount in regular household waste if it contains materials that require special handling.

Contact Information for Further Support

For safety inquiries or assistance related to the Badger Ordnance Condition One Modular Mount, please refer to the manufacturer's contact information provided with the product.

By following these guidelines, you can ensure a safe and enjoyable experience with your Badger Ordnance Condition One Modular Mount. Thank you for prioritizing safety.
