## An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

## Attributes

- Name: [35MM 1.54" 0 MOA MODULAR MOUNT, BLACK](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034649
- Mfr. No.: 154350B
- Elevation: 0 MOA
- Finish: Black
- Height: 1.54"
- Scope Tube Diameter: 35mm
- Style: Mount
- Delivery weight: 0.272kg
- Shipping height: 64mm
- Shipping width: 89mm
- Shipping length: 178mm

# CONDITION ONE MODULAR MOUNTS 35MM 1.54" 0 MOA MODULAR MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully and follow all instructions to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a modular mount for rifle optics and accessories.
- Inspect the mount regularly for signs of wear, damage, or loose components before each use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Always follow local laws and regulations regarding the use of firearm accessories.
- Report any unsafe conditions or productrelated incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the mount with compatible optics and accessories designed for the specified tube diameter (35mm).
- Ensure that the mount is securely fastened to the rifle before use to prevent detachment during operation.
- Avoid overtightening the mounting screws, as this may damage the mount or the rifle.
- Utilize the appropriate elevation settings (0 or 20 MOA) based on your shooting requirements to enhance accuracy.
- Be aware of the bore offset of 1.70 inches and adjust your shooting stance accordingly for optimal cheek weld.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a torque wrench and appropriate screwdrivers.
2. **Select Mounting Location:** Choose a suitable mounting position on your rifle that allows for optimal alignment with your optic.
3. **Attach the Mount:**
  - Align the mount with the mounting surface on your rifle.
  - Insert the screws into the mounting holes and tighten them evenly to ensure a secure fit.
  - Use a torque wrench to apply the recommended torque specifications (refer to the product manual for specific torque values).
4. **Check Stability:** After installation, gently shake the mount to ensure it is secure and does not move.

### Usage

1. **Mounting Optics:**
  - Carefully place your optic onto the mount.
  - Secure the optic by tightening the mounting screws. Ensure they are fastened evenly.
2. **Adjusting Elevation:**
  - Depending on your shooting needs, adjust the elevation setting to either 0 MOA or 20 MOA.
  - Confirm the adjustment is locked in place before use.
3. **Regular Checks:**

- Periodically inspect the mount and optic for any signs of looseness or damage during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and firearm accessory waste.
- Do not dispose of the product in regular household waste.
- Consider recycling components where applicable to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries related to safety or product issues, please refer to the EU contact point for guidance. Ensure that you have the product details available for reference.

Thank you for your attention to these safety guidelines. Following these instructions will help ensure a safe and enjoyable experience with your Badger Ordnance Condition One Modular Mount.
