## An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

## Attributes

- Name: [BADGER ORDNANCE 30MM 1.70" 0 MOA MODULAR MOUNT, BLACK](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034653

# Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

## Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This product is designed to enhance your shooting experience by providing a reliable and adjustable mounting solution for your optics and accessories. This guide outlines important safety instructions and usage recommendations to ensure a safe and effective experience with your new mount.

## General Safety Guidelines

- Always read and understand the product manual before use.
- Keep the mount out of reach of children and vulnerable individuals.
- Inspect the mount regularly for any signs of damage or wear.
- Do not exceed the specified weight limits for attachments.
- Ensure that all attachments are securely fastened before use.
- Report any unsafe conditions or product defects to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the mount is compatible with your rifle before installation.
- Use only the recommended accessories and attachments for your mount.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Always wear appropriate eye and ear protection when using firearms.
- Do not modify the mount in any way, as this may compromise its safety and performance.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Select a suitable mounting location on your rifle's receiver.
- Align the mount with the mounting points and secure it using the provided screws.
- Tighten the screws to the manufacturer's specifications, ensuring a secure fit.

### 2. Usage:

- Attach your optic or accessory to the mount using the appropriate rings (30mm, 34mm, or 35mm).
- Adjust the elevation settings (0 or 20 MOA) as needed for your shooting requirements.
- Check the alignment of your optic to ensure proper sighting.
- Before each use, inspect the mount and attachments for any signs of wear or damage.

## Disposal Instructions

- Dispose of the mount in accordance with local regulations.
- Do not dispose of the mount in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**
