

CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 30MM 1.93" 0 MOA MODULAR MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [BADGER ORDNANCE 30MM 1.93" 0 MOA MODULAR MOUNT, BLACK](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034655

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the mount is compatible with your rifle and optics before installation.
- Inspect the mount for any damage or defects before each use.
- Use the mount only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for product recalls on the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Always follow the installation instructions closely to avoid improper mounting, which could lead to accidents.
- **Weight Limit:** Do not exceed the weight limit specified for the mount. Overloading may cause failure.
- **Environmental Conditions:** Avoid using the mount in extreme weather conditions that could affect its integrity and performance.
- **Use of Accessories:** Ensure that all accessories used with the mount are compatible and securely attached.
- **Regular Maintenance:** Periodically check the mount for wear and tear, and ensure all screws and fasteners are tightened.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure your rifle is unloaded and pointed in a safe direction.

2. Installation:

- Position the mount on the rifle's rail system according to the manufacturer's guidelines.
- Align the mount with the desired optics position, ensuring that the 1.70inch bore offset is correctly utilized.
- Secure the mount using the provided screws and fasteners. Follow the recommended torque specifications to avoid overtightening or undertightening.
- Doublecheck that the mount is securely attached to the rifle.

3. Usage:

- When using the mount with optics, ensure that the optics are properly mounted and aligned.
- Practice using the mount in a safe environment before engaging in any serious shooting activities.
- Adjust your cheek weld and head position to maintain proper sight alignment.

4. PostUse:

- After use, inspect the mount for any signs of damage or wear.
- Clean the mount as needed to remove dirt and debris, ensuring it remains in good working condition.

Disposal Instructions

- When disposing of the mount, follow local regulations regarding electronic and nonelectronic waste.
- If the mount is damaged beyond repair, ensure it is disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any questions or concerns regarding the Badger Ordnance Condition One Modular Mount, please consult the manufacturer's website or contact their customer support directly. Ensure you have the product details ready for reference.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Badger Ordnance Condition One Modular Mount. Thank you for your attention to these important safety measures.
