## An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

## Attributes

- Name: [BADGER ORDNANCE 34MM 1.93" 0 MOA MODULAR MOUNT, BLACK](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034656
- Mfr. No.: 193-340B
- Elevation: 0 MOA
- Finish: Black
- Height: 1.93"
- Scope Tube Diameter: 34mm
- Style: Mount
- Delivery weight: 0.249kg
- Shipping height: 64mm
- Shipping width: 102mm
- Shipping length: 178mm

# Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

## Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions to ensure safe and effective usage of your mount. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the mount is compatible with your rifle and optics before installation.
- Inspect the mount for any visible damage or defects before each use.
- Always follow the manufacturer's instructions for mounting and adjusting your optics.
- Keep the mount and attached optics out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limit for attachments.
- Avoid using the mount in extreme weather conditions without proper precautions.
- Ensure that all screws and attachments are securely tightened before use.
- Be cautious when adjusting the mount to avoid pinching or injury.
- Use protective eyewear when mounting or adjusting optics to prevent injury from falling parts.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Ensure your rifle is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Remove any existing mounts or attachments from your rifle's rail system.
- Align the Badger Ordnance Condition One Modular Mount with the desired mounting position on the rifle.
- Insert the mounting screws through the mount into the rifle's rail system.
- Tighten the screws to the manufacturer's recommended torque specifications using a torque wrench.
- Ensure that the mount is securely fastened and does not move when pressure is applied.

### 3. Attaching Optics

- Select the appropriate rings for your optics (30mm, 34mm, or 35mm).
- Place the optics into the rings and adjust for proper eye relief.
- Tighten the ring screws evenly to avoid misalignment of the optics.
- Doublecheck that the optics are securely attached and aligned.

### 4. Final Checks

- Inspect the entire setup to ensure there are no loose components.

- Conduct a function check by aiming and adjusting the optics as needed.
- Store the rifle in a safe place when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and nonfood product waste.
- Avoid discarding the mount in regular household waste. Instead, seek out designated recycling facilities for proper disposal.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's website or contact your local dealer.

By following these safety instructions, you can ensure a safer experience with your Badger Ordnance Condition One Modular Mount. Thank you for prioritizing safety and responsible usage.
