

CONDITION ONE MICRO SIGHT ADAPTERS - BADGER ORDNANCE J-ARM 45° 1.70" TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

Add a Micro Reflex Sight to Your Badger Mount

The Badger Ordnance Condition One Modular Mount is designed to provide rifle owners with a centralized mounting location for their optics and accessories. The addition of the company's C.O.M.M. Micro Sight Adapter allows users to mount many of today's popular reflex optics. Mounts are available in black or tan finishes and are sized to fit the Aimpoint T1/T2, Leupold DeltaPoint Pro or the Trijicon RMR. Each mount is machined from a single piece of aluminum for durability and strength.

Attributes

- Name: [BADGER ORDNANCE J-ARM 45° 1.70" TAN](#)

Safety Instruction Guide for CONDITION ONE MICRO SIGHT ADAPTERS BADGER ORDNANCE JARM 45° 1.70" TAN

Introduction

Thank you for choosing the Badger Ordnance Condition One Micro Sight Adapters. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe and effective use of your product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- **Product Safety:** Ensure that the micro sight adapter is used in accordance with the provided instructions to prevent accidents or injuries.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** When purchasing this product online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact for support.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on any unsafe products.

Specific Safety Precautions for Use

- **Inspect the Product:** Before each use, inspect the adapter for any signs of damage or wear. Do not use if damaged.
- **Follow Installation Instructions:** Ensure that the adapter is installed correctly according to the guidelines provided in this manual.
- **Use Appropriate Firearm:** Only use the adapter with compatible firearms and optics as specified in the product description.
- **Avoid Modifications:** Do not modify the adapter or use it in a manner not intended by the manufacturer.
- **Proper Handling:** Always handle firearms safely and responsibly. Follow all applicable laws and regulations regarding firearm use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver suitable for the mounting screws.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove any existing sights or mounts from your firearm.
- Align the micro sight adapter with the mounting points on the firearm.
- Secure the adapter using the provided screws. Ensure that all screws are tightened properly but do not overtighten to avoid damaging the adapter or firearm.
- Doublecheck that the adapter is firmly attached before proceeding.

3. Usage:

- Once installed, attach your chosen reflex optic to the micro sight adapter.
- Adjust the optic according to the manufacturer's instructions to ensure proper alignment and functionality.
- Always perform a function check before using the firearm with the installed optic.

Disposal Instructions

- **Disposal of the Product:** When the product reaches the end of its life, dispose of it in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle the aluminum material to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding safety or product usage, please refer to your retailer or consult the manufacturer's website for additional support resources.
