

CONDITION ONE MICRO SIGHT ADAPTERS - BADGER ORDNANCE

MICRO SIGHT MOUNT FOR AIMPOINT T-1/T-2 TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

Add a Micro Reflex Sight to Your Badger Mount

The Badger Ordnance Condition One Modular Mount is designed to provide rifle owners with a centralized mounting location for their optics and accessories. The addition of the company's C.O.M.M. Micro Sight Adapter allows users to mount many of today's popular reflex optics. Mounts are available in black or tan finishes and are sized to fit the Aimpoint T1/T2, Leupold DeltaPoint Pro or the Trijicon RMR. Each mount is machined from a single piece of aluminum for durability and strength.

Safety Instruction Guide for Badger Ordnance Condition One Micro Sight Adapters

Introduction

Thank you for choosing the Badger Ordnance Condition One Micro Sight Adapter. This guide provides essential safety instructions to ensure the proper and safe use of this product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the adapter only with compatible optics, including Aimpoint T1/T2, Leupold DeltaPoint Pro, or Trijicon RMR.
- Do not exceed the recommended weight limits for mounted optics to prevent equipment failure.
- Avoid using the product in adverse weather conditions that could impair visibility or safety.
- Ensure that the mount is securely attached before using the firearm.
- Do not modify or alter the product in any way, as this may compromise safety.

Instructions for Installation and Usage

1. Installation Instructions:

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the Micro Sight Adapter with the mounting rail on the firearm.
- Securely fasten the adapter using the provided screws. Follow the manufacturer's torque specifications to prevent overtightening.
- Confirm that the adapter is firmly attached by gently pulling on it.

2. Usage Instructions:

- Familiarize yourself with the operation of the optics being mounted.
- Regularly check the adapter and optics for any signs of wear or loosening.
- Practice safe firearm handling at all times, following local laws and regulations.
- Store the firearm in a secure location when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Badger Ordnance Condition One Micro Sight Adapter, please refer to the manufacturer's contact information provided with the product packaging.

This safety instruction guide complies with the EU General Product Safety Regulation (GPSR) and is designed to help you use the Badger Ordnance Condition One Micro Sight Adapter safely and effectively. Always prioritize safety and stay informed about the products you use.
