

# CONDITION ONE MICRO SIGHT ADAPTERS - BADGER ORDNANCE MICRO SIGHT MOUNT FOR LEUPOLD DPP TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

## Add a Micro Reflex Sight to Your Badger Mount

The Badger Ordnance Condition One Modular Mount is designed to provide rifle owners with a centralized mounting location for their optics and accessories. The addition of the company's C.O.M.M. Micro Sight Adapter allows users to mount many of today's popular reflex optics. Mounts are available in black or tan finishes and are sized to fit the Aimpoint T1/T2, Leupold DeltaPoint Pro or the Trijicon RMR. Each mount is machined from a single piece of aluminum for durability and strength.

# Safety Instruction Guide for Condition One Micro Sight Adapters

## Introduction

Thank you for choosing the Condition One Micro Sight Adapter by Badger Ordnance. This product is designed to enhance your shooting experience by providing a reliable mounting solution for your optics. To ensure safe and effective use, please read this safety instruction guide thoroughly before installation and use.

## General Safety Guidelines

- Always follow the manufacturer's instructions for installation and usage.
- Inspect the product for any damage or defects before use.
- Ensure that the adapter is compatible with your specific optic model.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the product in any way, as this may compromise safety.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the sight adapter.
- Use appropriate eye and ear protection when using firearms.
- Do not exceed the manufacturer's recommended torque specifications during installation.
- Regularly check the mount for tightness and stability during use.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: a torque wrench and appropriate mounting screws.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Remove any existing mounts or optics from your firearm.
- Align the Condition One Micro Sight Adapter with the mounting points on your firearm.
- Insert the mounting screws through the adapter into the firearm.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications.
- Doublecheck that the mount is secure and stable before attaching your optic.

### 3. Usage Instructions

- Once the optic is securely attached, perform a functionality check.
- Adjust the optic as needed for your shooting preferences.
- Always handle the firearm safely and responsibly.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for aluminum components where available.

## Contact Information for Further Support

For further assistance, refer to the manufacturer's website or contact customer support through the provided channels. Always keep this manual for future reference regarding safety and product care.

By following these guidelines, you can ensure a safe and enjoyable experience with your Condition One Micro Sight Adapter. Thank you for your attention to safety.
