

# CONDITION ONE MICRO SIGHT ADAPTERS - BADGER ORDNANCE MICRO SIGHT MOUNT FOR AIMPOINT T-1/T-2 BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

## Add a Micro Reflex Sight to Your Badger Mount

The Badger Ordnance Condition One Modular Mount is designed to provide rifle owners with a centralized mounting location for their optics and accessories. The addition of the company's C.O.M.M. Micro Sight Adapter allows users to mount many of today's popular reflex optics. Mounts are available in black or tan finishes and are sized to fit the Aimpoint T1/T2, Leupold DeltaPoint Pro or the Trijicon RMR. Each mount is machined from a single piece of aluminum for durability and strength.

# Safety Instruction Guide for Badger Ordnance Condition One Micro Sight Adapter

## Introduction

Thank you for choosing the Badger Ordnance Condition One Micro Sight Adapter. This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for your optics. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read the entire instruction manual before using the product.
- Ensure that the product is installed correctly before use.
- Regularly inspect the product for signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the product only for its intended purpose as described in this guide.
- Do not modify the product in any way that may affect its safety or performance.
- Ensure that the mounting surface is clean and free of debris before installation.
- Avoid using the product in extreme weather conditions that may compromise its integrity.
- If you notice any instability or malfunction during use, stop using the product immediately.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Required Tools:** Ensure you have the necessary tools, such as a screwdriver and Allen wrenches, for installation.
2. **Prepare the Mounting Surface:**
  - Clean the area where the adapter will be mounted.
  - Check for compatibility with your optic (Aimpoint T1/T2, Leupold DeltaPoint Pro, or Trijicon RMR).
3. **Attach the Micro Sight Adapter:**
  - Align the adapter with the mounting surface.
  - Securely fasten the adapter using the provided screws.
  - Ensure that all screws are tightened to prevent loosening during use.
4. **Mount Your Optic:**
  - Place your chosen optic onto the adapter.
  - Follow the optic manufacturer's instructions for securing the optic.
5. **Final Inspection:**
  - Doublecheck all connections and ensure everything is secure before using the firearm.

### Usage Guidelines

- Always handle firearms safely and in accordance with local laws and regulations.
- Ensure the firearm is unloaded before attaching or detaching the optic.
- Regularly check the tightness of the mount and optic during use.
- If the optic becomes loose or unstable, stop using it and inspect for any damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in a way that prevents any potential hazards to the environment.
- Recycle materials whenever possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the Badger Ordnance Condition One Micro Sight Adapter, please contact the manufacturer directly. Ensure that you have the product details available for reference.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Badger Ordnance Condition One Micro Sight Adapter. Thank you for your attention to safety.
