RUGER® Precision & RUGER® American Firing Pin Removal Tool Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® Precision & RUGER® American Firing Pin Removal Tool from Anarchy Outdoors. This tool is designed to assist Ruger American Rifle and Precision Rifle owners in safely and efficiently removing the firing pin from their bolts for maintenance and cleaning. This safety instruction guide provides essential information to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms and related tools with care and respect.
- Ensure the firearm is unloaded before using the firing pin removal tool.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety glasses to protect your eyes from debris.
 - Consider using gloves to maintain a secure grip and protect your hands.
- **Work Environment:**
 - Use the tool in a clean, welllit area to avoid accidents.
 - Ensure that the work surface is stable and free of clutter.
- **Using the Tool:**
 - Follow all instructions carefully to avoid damaging the firearm or the tool.
 - Do not force the tool if it does not operate smoothly; check for obstructions or misalignment.
 - Avoid using the tool while the firearm is in a position that could cause accidental discharge.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and materials.

2. Using the Firing Pin Removal Tool:

- Locate the firing pin on your Ruger American Rifle or Precision Rifle.
- Align the firing pin removal tool with the firing pin.
- Gently insert the tool into the bolt to engage with the firing pin.
- Carefully twist or pull the tool as directed to remove the firing pin from the bolt.
- Once removed, inspect the firing pin for any damage or wear.

3. Reinstallation:

- To reinstall the firing pin, reverse the removal process.
- Ensure the firing pin is correctly seated in the bolt before securing it.

4. PostUse:

- Clean the tool after use to remove any debris or residue.
- Store the tool in a safe, dry place, away from children.

Disposal Instructions

- Dispose of the tool in accordance with local regulations for metal recycling.
- Do not dispose of the tool in regular household waste.
- If the tool is damaged and cannot be repaired, ensure it is disposed of safely to prevent injury.

Contact Information for Further Support

For any safety inquiries or further support regarding the RUGER® Precision & RUGER® American Firing Pin Removal Tool, please reach out to the appropriate EUbased contact point, as required by the EU General Product Safety Regulation.

By following these safety instructions, you can ensure a safe and effective experience with your RUGER® Precision & RUGER® American Firing Pin Removal Tool. Thank you for your attention to safety and compliance.
