

AR-15 RAPTOR-SD-SL CHARGING HANDLE WITH VENTED SHAFT - RADIAN WEAPONS AR-15 RAPTOR SD-SL AMBIDEXTROUS CHARGING HANDLE BLACK

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

An AR Charging Handle Optimized for Suppressor Use

Those who've shot a suppressed AR-15 understand the concept of blowback, and manufacturers like Radian Weapons are developing enhanced components designed to deal with the issue. The company's Raptor-SD-SL charging handle features a special vented shaft that makes gas blowback a non-issue in your AR-15. Each Radian Weapons Raptor-SD-SL charging handle features a ported shaft that redirects gas, so you won't experience blowback coming directly into your face. The charging handle also features a low-profile handle conducive for "blading" the handle with one hand for rapid charging.

Safety Instruction Guide for AR15 RAPTORSDSL Charging Handle

Introduction

Thank you for choosing the AR15 RAPTORSDSL Charging Handle with Vented Shaft by Radian Weapons. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that all firearms are handled responsibly and in accordance with local laws and regulations.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Use the charging handle only with compatible AR15 platforms.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Store the charging handle in a secure location, away from children and unauthorized users.
- Be aware of your surroundings when using firearms, and ensure a safe shooting environment.

Specific Safety Precautions for Use

- The vented shaft is designed to reduce gas blowback; however, always maintain proper shooting posture to minimize exposure.
- Use protective eyewear when shooting to protect against any potential debris or gas.
- Ensure that the charging handle is securely installed before use to prevent malfunction.
- Avoid using excessive force when operating the charging handle; it is designed for smooth operation.
- If you experience any malfunctions or unusual behavior while using the charging handle, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Unload your firearm and ensure it is in a safe condition.
- Remove the existing charging handle by pulling it out of the receiver.
- Align the AR15 RAPTORSDSL Charging Handle with the receiver and insert it into the charging handle slot.
- Ensure that the handle is seated properly and securely in place.

2. Usage:

- Grip the charging handle firmly with one hand.
- Pull the handle back smoothly to chamber a round.
- Release the handle to allow it to return to its original position.
- For rapid charging, you may use the "blading" technique, where the handle is operated with one hand while the other hand supports the firearm.

Disposal Instructions

- When disposing of the charging handle, follow local regulations for disposal of firearm components.
- If the charging handle is damaged beyond repair, consider recycling options available in your area.
- Do not dispose of the charging handle in regular household waste.

Contact Information for Further Support

For any inquiries related to the safety and use of the AR15 RAPTORSDSL Charging Handle, please refer to the manufacturer's website or contact your local dealer for assistance.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your AR15 RAPTORSDSL Charging Handle. Remember to always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
