# Safety Instruction Guide for Radian Weapons AR15 Ambidextrous Raptor Charging Handle with Talon Safety

## Introduction

Thank you for choosing the Radian Weapons AR15 Ambidextrous Raptor Charging Handle with Talon Safety. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before use to understand the safety guidelines and operational procedures.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm accessories with care and respect.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the charging handle only with compatible AR15 and AR10 rifles.
- Ensure that the safety selector is in the correct position before using the charging handle.
- Do not attempt to modify or alter the charging handle or its components.
- Always ensure the firearm is unloaded before installing or removing the charging handle.
- Wear appropriate eye and ear protection when handling firearms.

## Instructions for Installation and Usage

### 1. Installation of the Charging Handle:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the upper receiver from the lower receiver of the AR15 or AR10.
- Align the charging handle with the receiver and slide it into place until it clicks securely.
- Reattach the upper receiver to the lower receiver, ensuring it is properly secured.

### 2. Using the Charging Handle:

- Grip the charging handle firmly with one hand.
- Pull the charging handle back to chamber a round or clear the chamber.
- Release the charging handle smoothly to allow it to return to the forward position.
- Use the Talon Safety selector to switch between 90degree and 45degree throws as needed.

## Disposal Instructions

- Dispose of the product according to local regulations for electronic and metal waste.
- Do not throw the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
