# Safety Instruction Guide for Radian Weapons AR15 Ambidextrous Raptor Charging Handle with Talon Safety

## Introduction

Thank you for choosing the Radian Weapons AR15 Ambidextrous Raptor Charging Handle with Talon Safety. This product is designed to enhance your AR15 rifle experience while ensuring safety and reliability. Please read this safety instruction guide thoroughly to understand how to use, install, and maintain your product safely.

## General Safety Guidelines

- Always ensure that your firearm is pointed in a safe direction when handling.
- Keep your finger off the trigger until ready to shoot.
- Always treat every firearm as if it is loaded.
- Store your firearm and accessories in a secure location, out of reach of unauthorized users, especially children.
- Regularly inspect your charging handle and safety selector for wear or damage before use.
- Do not use the product if it appears to be damaged or malfunctioning.
- Follow all manufacturer instructions and local laws regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Ensure that the safety selector is in the safe position when not in use.
- Be aware of the 90degree and 45degree throw options of the safety selector and use the appropriate setting for your needs.
- Use only compatible AR15 and AR10 rifles with this charging handle.
- Do not attempt to modify the charging handle or safety selector; such alterations can compromise safety and functionality.
- When using the charging handle, ensure that your hands are clear of the action and any moving parts.
- If you experience any difficulty with the charging handle or safety selector, consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before beginning the installation, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Charging Handle:** Open the upper receiver of your AR15 rifle. Remove the existing charging handle by pulling it out from the receiver.
3. **Install Raptor Charging Handle:**
  - Align the Radian Weapons AR15 Ambidextrous Raptor Charging Handle with the receiver.
  - Insert the charging handle into the receiver until it is fully seated.
4. **Install Talon Safety Selector:**
  - Remove the existing safety selector if applicable.
  - Insert the Talon Safety Selector into the designated slot in the lower receiver.
  - Ensure it is properly seated and can rotate freely between the safe and fire positions.
5. **Check Functionality:** After installation, check the operation of the charging handle and safety selector to ensure they function correctly.

## **Usage**

- To operate the charging handle, grasp it firmly and pull it back to chamber a round or clear the action.
- To engage or disengage the safety selector, rotate it to the desired position, ensuring it clicks into place.
- Regularly practice using the charging handle and safety selector to ensure familiarity and confidence.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of in regular household waste.
- If you are unsure of disposal methods, contact your local waste management facility for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the Radian Weapons AR15 Ambidextrous Raptor Charging Handle with Talon Safety, please consult the manufacturer's website or authorized dealers for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Radian Weapons product. Always prioritize safety and remain informed about best practices for firearm handling and maintenance.
