

AR-15 TALON-GI 45/90 SAFETY SELECTOR - RADIAN WEAPONS

AR-15 TALON-GI SAFETY SELECTOR BLACK

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

A Customizable Selector Switch for Your AR-15

Many AR-15 owners are moving to ambidextrous safety selectors today, and manufacturers have been eager to modify or expand their offerings beyond GI-style, single-side selectors. However, there are rifle owners out there who prefer the support-side selector, and Radian Weapons offers an enhanced model in the form of its Talon-GI safety selector. Each Radian Weapons Talon-GI features one long lever located on the support-side of the receiver to be easily actuated by a shooter's strong-hand thumb. The lever is installed on a precision-machined dovetail cut and is retained through the use of a spring-loaded stud. This provides a stronger attachment method than standard screws.

Safety Instruction Guide for AR15 TALONGI 45/90

Safety Selector

Introduction

Thank you for choosing the AR15 TALONGI 45/90 Safety Selector from Radian Weapons. This product is designed to enhance the safety and functionality of your AR15 rifle. It is essential to follow the safety instructions and guidelines provided in this manual to ensure safe and effective use of the safety selector.

General Safety Guidelines

- Ensure that your firearm is always treated as if it is loaded.
- Read and understand all safety instructions before using the product.
- Store the safety selector and firearm in a secure location away from children and unauthorized users.
- Always follow the manufacturer's instructions for installation and use.
- Regularly inspect the safety selector for wear and tear or any signs of damage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always engage the safety selector when the firearm is not in use.
- Do not attempt to modify the safety selector in any way.
- Ensure that the safety selector is fully engaged before handling the firearm.
- Use the safety selector only as intended and according to the instructions.
- Be aware of your surroundings and ensure a clear line of sight when operating the safety selector.

Instructions for Installation and Usage

Installation

1. Ensure that the firearm is unloaded and the magazine is removed.
2. Remove the existing safety selector if applicable, following the manufacturer's instructions.
3. Align the Radian Weapons TalonGI safety selector with the dovetail cut on the receiver.
4. Secure the lever using the springloaded stud, ensuring a strong attachment.
5. Confirm that the safety selector moves freely and engages correctly.

Usage

- To engage the safety, push the lever to the "safe" position.
- To disengage the safety, push the lever to the "fire" position using your stronghand thumb.
- Always verify the position of the safety selector before firing.

Disposal Instructions

- Dispose of the safety selector in accordance with local regulations.
- Do not dispose of the safety selector in regular household waste.
- Contact local waste management or recycling centers for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety selector, please consult the manufacturer's website or contact their customer service for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your AR15 TALONGI 45/90 Safety Selector. Always prioritize safety and stay informed about best practices for firearm use and maintenance. Thank you for choosing Radian Weapons.
