

# SIDE SCOUT MOUNT - ARISAKA DEFENSE SIDE SCOUT MOUNT KEYMOD

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

## A Low-Profile Light Mount for a Number of Popular Scout-Style Lights

Have an OEM Picatinny rail adapter that makes your SureFire, Streamlight or Arisaka weaponlights stick out like a sore thumb from your rifle's rail? Create a more streamlined platform with the Arisaka Side Scout Mount, which is designed for use with scout-style lights from all of the above manufacturers. When used on a rifle rail, this Arisaka Side Scout Mount provides a streamlined, low-profile setup for M-LOK, KeyMod and Picatinny handguards by tucking the flashlight under either side of the ATPIAL laser system. The mount also allows lights to clear the quick-detach lever used on the Steiner DBAL I2, A3 and D2. When used with longer-base lights, like the M620 or M961/2, the addition of the Arisaka Offset M620 adapter will be needed. Each Arisaka Side Scout Mount functions perfectly on SIG Sauer MPX and MCX M-LOK handguards. The mount is CNC-machined from 6061-T6 aluminum and requires only a 1/8-inch Allen wrench and a T20 Torx driver for installation. The SSM is compatible with the Surefire M300A, M300B, M300C, M300V, M312, M322, M312V, M313V, M322V, M600B, M600C, M600P, M600U, M600V, M600DF, M612, M622, M603V, M612V, M622V, Streamlight Protac Rail Mount 1, 2 and HL-X, and Arisaka 300 and 600 Series.

## Attributes

# Safety Instruction Guide for the Arisaka Defense Side Scout Mount

## Introduction

Thank you for choosing the Arisaka Defense Side Scout Mount. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Always ensure the product is installed correctly to avoid any accidents or injuries.
- Use only compatible lights as specified in the product description. Using incompatible lights may result in malfunction or hazards.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Keep this product out of reach of children and vulnerable individuals to prevent misuse or accidents.
- If you notice any defects or irregularities in the mount, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the flashlight is securely attached to the mount before use.
- Do not exceed the weight limit specified by the manufacturer for the mount.
- Avoid exposing the mount to extreme temperatures or harsh environmental conditions, as this may affect its performance.
- When using the flashlight, be mindful of your surroundings to avoid blinding others or causing accidents.
- Always follow the manufacturer's instructions for the specific flashlight you are using with the mount.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools: a 1/8inch Allen wrench and a T20 Torx driver.
- Identify the mounting location on your rifle's rail.
- Align the Arisaka Side Scout Mount with the desired position.
- Secure the mount using the Allen wrench and Torx driver, ensuring it is tightly fastened.
- Attach your compatible flashlight to the mount according to the flashlight manufacturer's instructions.

### 2. Usage:

- Ensure the flashlight is turned off before mounting it to prevent accidental activation.
- Once installed, test the stability of the mount and flashlight by gently shaking the assembly.
- Activate the flashlight only when needed and ensure it is turned off after use to conserve battery life.
- Regularly check the mount and flashlight during use to ensure they remain secure.

## Disposal Instructions

- Dispose of the Arisaka Defense Side Scout Mount in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the mount in regular household waste.
- If the product is damaged beyond repair, consider recycling materials where possible.

## Contact Information for Further Support

For any questions or concerns regarding the Arisaka Defense Side Scout Mount, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your product details ready for efficient assistance.

## Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the Arisaka Defense Side Scout Mount. Thank you for prioritizing safety and compliance.
