

GRIPSTOP M-LOK ALUMINUM - TRUE NORTH CONCEPTS GRIPSTOP STANDARD ALUMINUM M-LOK BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

Proven in Combat to Properly Correct Shooter Ergonomics

The original GripStop was first released in 2013 after years of research and design. Created by a Marine combat veteran, the GripStop will benefit a wide variety of different shooting styles and firearm types. Built from rugged 6061 T6 aluminum and MilSpec anodized, the GripStop is smaller than a vertical grip, but larger than a hand stop. Lightweight and streamlined, the GripStop was the first product to properly address correct shooter ergonomics. The unique serrated front radius allows the shooter to “pull” the firearm rearward into the shoulder pocket and maintain a solid purchase on the gun with the support hand. This feature also works great as a barrier-stop against walls, rock, automotive frames, and barricades. The GripStop has been combat-proven by American Special Operations Forces and Marines in multiple combat theaters and will survive the toughest abuse. GripStop comes in a Standard length along with a ‘K’, or small, length versions in Black or Earth Brown. Fits the Magpul M-LOK mounting interface Rugged 6061-T6 Aluminum construction MilSpec Type III anodized finish This product is made with pride in the U.S.A. and holds a lifetime, “no questions asked” free replacement guarantee.

Attributes

- Name: [TRUE NORTH CONCEPTS GRIPSTOP STANDARD ALUMINUM M-LOK BLACK](#)
- Manufacturer: [TRUE NORTH CONCEPTS](#)
- Product no.: 100034900
- Mfr. No.: GSS01
- Attachment: M-LOK
- Colour: Black
- Material: Aluminum
- Delivery weight: 0.091kg
- Shipping height: 25mm
- Shipping width: 127mm
- Shipping length: 178mm
- UPC: 850005392002

Item details

Made in USA

Safety Instruction Guide for GRIPSTOP MLOK ALUMINUM TRUE NORTH CONCEPTS GRIPSTOP STANDARD ALUMINUM MLOK BLACK

Introduction

Thank you for choosing the GRIPSTOP MLOK ALUMINUM from TRUE NORTH CONCEPTS. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use the GripStop safely and effectively.

General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the GripStop.
- Use the GripStop only with firearms that are compatible with the MLOK mounting interface.
- Inspect the GripStop for any signs of damage or wear before each use.
- Ensure that the GripStop is securely attached to the firearm before use.
- Avoid using the GripStop in environments that may compromise its structural integrity, such as extreme temperatures or corrosive materials.
- Keep the GripStop out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- When using the GripStop, maintain a proper grip and stance to ensure stability and control.
- Do not use the GripStop as a substitute for proper firearm handling and safety practices.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming and firing.
- If you experience any discomfort or difficulty while using the GripStop, stop using it immediately and reassess your grip and stance.
- In case of any accidents or malfunctions, report them to the appropriate authorities.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Locate the MLOK mounting points on your firearm.
- Align the GripStop with the mounting points and insert the screws provided.
- Tighten the screws securely, ensuring that the GripStop is firmly attached.

2. Usage:

- Grip the GripStop with your support hand while maintaining a proper shooting stance.
- Use the unique serrated front radius to pull the firearm rearward into your shoulder pocket.
- Maintain a solid purchase on the firearm while aiming and firing.
- Utilize the GripStop as a barrierstop against walls, rocks, automotive frames, and barricades when necessary.

Disposal Instructions

- When disposing of the GripStop, follow local regulations for electronic and metal waste disposal.
- Ensure that the product is disposed of in an environmentally responsible manner.

Contact Information for Further Support

For any safety inquiries or further support regarding the GRIPSTOP MLOK ALUMINUM, please consult the manufacturer's website or contact their customer service directly.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the GripStop!
