

GRIPSTOP M-LOK ALUMINUM - TRUE NORTH CONCEPTS GRIPSTOP STANDARD ALUMINUM M-LOK EARTH BROWN

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

Proven in Combat to Properly Correct Shooter Ergonomics

The original GripStop was first released in 2013 after years of research and design. Created by a Marine combat veteran, the GripStop will benefit a wide variety of different shooting styles and firearm types. Built from rugged 6061 T6 aluminum and MilSpec anodized, the GripStop is smaller than a vertical grip, but larger than a hand stop. Lightweight and streamlined, the GripStop was the first product to properly address correct shooter ergonomics. The unique serrated front radius allows the shooter to “pull” the firearm rearward into the shoulder pocket and maintain a solid purchase on the gun with the support hand. This feature also works great as a barrier-stop against walls, rock, automotive frames, and barricades. The GripStop has been combat-proven by American Special Operations Forces and Marines in multiple combat theaters and will survive the toughest abuse. GripStop comes in a Standard length along with a ‘K’, or small, length versions in Black or Earth Brown. Fits the Magpul M-LOK mounting interface Rugged 6061-T6 Aluminum construction MilSpec Type III anodized finish This product is made with pride in the U.S.A. and holds a lifetime, “no questions asked” free replacement guarantee.

Attributes

- Name: [TRUE NORTH CONCEPTS GRIPSTOP STANDARD ALUMINUM M-LOK EARTH BROWN](#)
- Manufacturer: [TRUE NORTH CONCEPTS](#)
- Product no.: 100034901
- Mfr. No.: GSS02
- Attachment: M-LOK
- Colour: Earth Brown
- Material: Aluminum
- Delivery weight: 0.091kg
- Shipping height: 25mm
- Shipping width: 127mm
- Shipping length: 178mm

Safety Instruction Guide for GRIPSTOP MLOK Aluminum

Introduction

Thank you for choosing the GRIPSTOP MLOK Aluminum. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your GripStop. Please read this document carefully to ensure safe operation and to maximize the lifespan of your product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the GripStop by following the instructions provided in this guide. This product is designed for nonfood use only.
- **Enhanced Recalls:** In the event of a safety concern, standardized recall notices will be issued. Please stay informed about any product recalls that may affect your GripStop.
- **Online Shopping:** If purchased online, the product must meet the same safety standards as those sold in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when the product is used by vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries regarding this product, please refer to the designated EU contact point.
- **Rapid Alerts:** Stay updated on any unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle the GripStop with care to avoid accidental drops or impacts.
- **Correct Installation:** Follow the installation instructions carefully to ensure that the GripStop is securely attached to your firearm.
- **Regular Inspections:** Periodically check the GripStop for any signs of wear or damage. If any defects are found, discontinue use immediately.
- **Avoid Modifications:** Do not attempt to modify the GripStop in any way, as this may compromise its safety and performance.
- **Use with Compatible Firearms:** Ensure that the GripStop is used with firearms that are compatible with the MLOK mounting interface.
- **Training:** Familiarize yourself with the proper use of your firearm and the GripStop by seeking professional training if necessary.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction before installation.
- Identify the MLOK slots on your firearm where the GripStop will be mounted.
- Align the GripStop with the MLOK slots and insert the provided screws through the mounting holes.
- Tighten the screws securely, but do not overtighten, as this may damage the GripStop or the firearm.
- Doublecheck that the GripStop is firmly attached before use.

2. Usage:

- Grip the GripStop with your support hand while maintaining a proper shooting stance.
- Use the serrated front radius to pull the firearm rearward into your shoulder pocket for better control.

- Utilize the GripStop as a barrierstop against various surfaces when necessary.
- Maintain awareness of your surroundings and practice safe firearm handling at all times.

Disposal Instructions

- **Disposal of Product:** When the GripStop has reached the end of its life or is no longer usable, dispose of it in accordance with local regulations regarding aluminum and other materials.
- **Environmental Considerations:** Do not dispose of the product in landfills. Consider recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the GRIPSTOP MLOK Aluminum, please refer to the designated EU contact point for safety inquiries.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on your responsible use of this product.
