

# GRIPSTOP M-LOK ALUMINUM - TRUE NORTH CONCEPTS GRIPSTOP-K ALUMINUM M-LOK EARTH BROWN

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

## Proven in Combat to Properly Correct Shooter Ergonomics

The original GripStop was first released in 2013 after years of research and design. Created by a Marine combat veteran, the GripStop will benefit a wide variety of different shooting styles and firearm types. Built from rugged 6061 T6 aluminum and MilSpec anodized, the GripStop is smaller than a vertical grip, but larger than a hand stop. Lightweight and streamlined, the GripStop was the first product to properly address correct shooter ergonomics. The unique serrated front radius allows the shooter to “pull” the firearm rearward into the shoulder pocket and maintain a solid purchase on the gun with the support hand. This feature also works great as a barrier-stop against walls, rock, automotive frames, and barricades. The GripStop has been combat-proven by American Special Operations Forces and Marines in multiple combat theaters and will survive the toughest abuse. GripStop comes in a Standard length along with a ‘K’, or small, length versions in Black or Earth Brown. Fits the Magpul M-LOK mounting interface Rugged 6061-T6 Aluminum construction MilSpec Type III anodized finish This product is made with pride in the U.S.A. and holds a lifetime, “no questions asked” free replacement guarantee.

## Attributes

- Name: [TRUE NORTH CONCEPTS GRIPSTOP-K ALUMINUM M-LOK EARTH BROWN](#)
- Manufacturer: [TRUE NORTH CONCEPTS](#)
- Product no.: 100034903
- Mfr. No.: GSK02
- Attachment: M-LOK
- Colour: Earth Brown
- Material: Aluminum
- Delivery weight: 0.091kg
- Shipping height: 25mm
- Shipping width: 127mm
- Shipping length: 178mm
- UPC: 850005392033

## Item details

Made in USA

US export classification: 0A501.y.1

# GripStop MLOK Aluminum Safety Instructions

## Introduction

Thank you for choosing the GripStop MLOK Aluminum by True North Concepts. This guide provides essential safety instructions to ensure the safe and effective use of your GripStop. Please read this document carefully before using the product.

## General Safety Guidelines

- **Product Safety:** The GripStop is designed for safe use with firearms. Always follow firearm safety protocols when handling the GripStop.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and remedies. Stay informed about any recall updates.
- **Online Shopping:** If purchased online, the same safety protections apply as if purchased in a physical store. Ensure that the retailer meets safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Read All Instructions:** Always read the instructions before use to avoid misuse and potential hazards.
- **Proper Handling:** When handling the firearm equipped with the GripStop, ensure that it is unloaded and pointed in a safe direction.
- **Avoid Modifications:** Do not modify the GripStop in any way. Alterations can compromise safety and performance.
- **Regular Inspections:** Frequently inspect the GripStop for any signs of wear, damage, or loose fittings. Replace if necessary.
- **Use with Compatible Firearms:** Ensure that the GripStop is used only with firearms that are compatible with the MLOK mounting interface.
- **Training:** Seek professional training on firearm safety and usage if you are unfamiliar with firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and safe.
- Locate the MLOK mounting interface on your firearm.
- Align the GripStop with the MLOK slots.
- Insert the mounting screws into the GripStop and tighten them securely using the appropriate tool.
- Verify that the GripStop is firmly attached before using the firearm.

### 2. Usage:

- Grip the GripStop with your support hand while aiming and firing the firearm.
- Use the serrated front radius to pull the firearm into your shoulder pocket for better control.
- Avoid applying excessive force that could lead to loss of control or misfire.

## Disposal Instructions

- **Proper Disposal:** Dispose of the GripStop in accordance with local regulations. Do not dispose of it in regular household waste if it is damaged or no longer usable.
- **Recycling:** If possible, recycle the aluminum material according to local recycling guidelines.

## Contact Information for Further Support

For any questions regarding safety, usage, or installation, please refer to the retailer or the manufacturer's website for support.

Thank you for your attention to these safety instructions. Enjoy your GripStop MLOK Aluminum and use it responsibly.
