

# TARGET STAND - HAT POINT TARGET TARGET STAND BLACK POLYMER

[Shooting Accessories](#) > [Targets & Accessories](#) > [Target Stands](#)

## A Do-It-All Target Stand for Your Range

One of the most versatile and durable target stands on the market today, the HatPoint Target Stand is purpose-built to provide shooters with the target holder they need to set up fun, interactive training and plinking scenarios on their range. Each HatPoint Target Stand can be customized to hold targets measuring 6 to 24 inches wide and is designed to hold USPSA, IPSC and IDPA targets, in particular. The stand itself is lightweight, clocking in at just under 4 pounds, so shooters can move it where they need it and transport the stand with ease. Pre-drilled holes allow users to stake the target in-place, so that it won't blow over in high winds. Also included with each HatPoint Target Stand is an integrated clip design that can hold 1X2-inch furring strips and prevents users from having to shim the target holder. Each stand is made in the USA and includes an Allen wrench needed for assembly.

## Attributes

- Name: [HAT POINT TARGET TARGET STAND BLACK POLYMER](#)
- Manufacturer: [HAT POINT TARGET](#)

# HatPoint Target Stand Safety Instruction Guide

## Introduction

Thank you for choosing the HatPoint Target Stand. This product is designed to provide a safe and effective way to hold targets for shooting practice. To ensure a safe experience, please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Always follow all local laws and regulations regarding the use of target stands and shooting practices.
- Ensure that the target stand is used in a safe environment, away from bystanders and unauthorized individuals.
- Regularly inspect the target stand for any signs of wear or damage before each use.
- Store the target stand in a dry place when not in use to prevent deterioration of materials.
- Ensure that all users of the target stand are familiar with safe shooting practices.

## Specific Safety Precautions for Use

- Do not exceed the recommended target width of 6 to 24 inches.
- Ensure that the target is securely attached to the stand before shooting.
- Use the predrilled holes to stake the target stand in place, especially in windy conditions.
- Do not attempt to modify or alter the target stand in any way.
- Keep the area around the target stand clear of obstacles and debris.
- Always wear appropriate safety gear, such as eye and ear protection, when using the target stand.

## Instructions for Installation and Usage

### 1. Unpack the Stand

- Remove the HatPoint Target Stand from its packaging.
- Ensure that all parts are present, including the Allen wrench for assembly.

### 2. Assemble the Stand

- Use the Allen wrench to secure any loose parts as per the assembly instructions provided with the product.
- Ensure that the stand is stable and properly assembled before use.

### 3. Set Up the Target

- Choose a suitable location for the target stand, ensuring it is on level ground.
- Attach your target (6 to 24 inches wide) securely using the integrated clip design.
- If necessary, use the predrilled holes to stake the stand into the ground.

### 4. Check Stability

- Before shooting, doublecheck that the target stand is stable and will not tip over.
- Ensure that the area is clear of any obstructions.

### 5. Shooting

- Follow all safety protocols while shooting.
- Only shoot at the target when it is securely attached to the stand.

## **6. PostUse Care**

- After use, disassemble the target stand if necessary for transport.
- Store the stand in a dry location to maintain its condition.

## **Disposal Instructions**

- Dispose of the HatPoint Target Stand in accordance with local regulations.
- If the stand is damaged beyond repair, consider recycling the polymer material where possible.
- Do not dispose of the stand in regular household waste if it can be recycled.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the HatPoint Target Stand, please refer to the contact information provided with your product packaging.

Stay safe and enjoy your shooting practice!
