## A Full-Sized Shooting Bag That Offers Greater Shooting Stability

Armageddon Gear took its Game Changer bag up a notch with the release of a special "Sticky" model that makes shooting off obstacles easier than ever before. The addition of sticky fabric on this bag ensures that you can have a solid shooting rest on nearly any kind of surface. Each Armageddon Gear Sticky Game Changer is constructed with a waxed-canvas shell that has special "sticky" textile fabric applied to particular areas on the outside of the bag. These spots include the gusset, top and one side of the bag. The result is an improved coefficient of friction that provides a more-stable shooting position. Best of all? This sticky canvas won't break down over time under the hot sun, like other sticky fabrics. Measuring 10" X 7" X 6", the Armageddon Gear Sticky Game Changer is filled with polypropylene and weighs just over 6 pounds.
