# Safety Instruction Guide for RUGER™ 10/22™ ATONE STOCK

## Introduction

Thank you for purchasing the RUGER™ 10/22™ ATONE STOCK. This adjustable gunstock is designed to provide a custom fit, enhancing your shooting experience. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is stored securely when not in use, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that there is a safe backdrop for shooting.
- Do not use the firearm under the influence of alcohol or drugs.
- Familiarize yourself with local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure that the gunstock is properly installed before use.
- Check for any visible damage to the stock before each use.
- Do not attempt to modify or alter the gunstock in any way.
- If you notice any irregularities during operation, cease use immediately and consult a qualified gunsmith.
- Keep hands and fingers clear of the action when loading and unloading the firearm.
- Always use the correct ammunition specified for your firearm.

## Instructions for Installation and Usage

### 1. Installation of the Gunstock:

- Remove the existing gunstock from your RUGER 10/22.
- Align the AtOne™ stock with the receiver.
- Securely attach the stock using the provided screws and tools.
- Ensure that all screws are tightened properly to avoid any movement during use.

### 2. Adjusting the Gunstock:

- For BringIt comb adjustments:
  - Locate the adjustment button on the stock.
  - Press the button and slide the comb to the desired height.
  - Release the button to lock in place.
- For BringIt butt pad adjustments:
  - Locate the butt pad adjustment mechanism.
  - Adjust the length of pull between 12 ½" – 14" as needed.
  - Ensure the butt pad is securely locked in place after adjustment.

### 3. Usage:

- Always ensure the firearm is unloaded before making any adjustments to the stock.
- Practice adjusting the stock in a safe environment to become familiar with its features.

- Regularly check the stock for wear and tear, especially after extensive use.

## Disposal Instructions

- Dispose of the gunstock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the gunstock in regular household waste.

## Contact Information for Further Support

For any questions regarding safety, usage, or product support, please refer to the manufacturer's official website or customer service channels. Ensure you have the product details ready for a more efficient response.

## Conclusion

The RUGER™ 10/22™ ATONE STOCK is designed for safety and performance. By following these guidelines, you can ensure a safe and enjoyable shooting experience. Remember to always prioritize safety and stay informed about best practices in firearm usage.
