

# VICKERS ELITE BATTLESIGHT FOR H&K - WILSON COMBAT VICKERS ELITE BATTLESIGHT FOR H&K, BLACK SERR

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## A Snag-Free Rear Sight Designed for Popular H&K Handguns

Developed by former Delta Force operator Larry Vickers and designed for use on a number of popular Heckler & Koch handgun models, the Vickers Elite Battlesight features a deep, wide, U-notch aperture that ensures shooters can gain a perfect sight picture in fast-paced shooting scenarios or in low-light conditions. Make no mistake, the Vickers Elite Battlesight is built for fighting handguns. The sight features a shelf-style ledge on its front face that allows shooters to rack their guns or clear malfunctions using one hand on a flat surface. The non-reflective, serrated rear surface of the sight ensures that you won't be impeded by glare when using your gun in bright sunlight, and the use of hardened set-screws ensures that this sight won't ever come loose, even in the harshest conditions imaginable. The Vickers Elite Battlesight is designed for use on the Heckler & Koch VP9, P30SK, P30L, P30, HK45, HK45C and HK45C Tactical. Some minor fitting may be required.

## Attributes

- Name: [WILSON COMBAT VICKERS ELITE BATTLESIGHT FOR H&K, BLACK SERR](#)
- Manufacturer: [WILSON COMBAT](#)

# Vickers Elite Battlesight Safety Instructions

## Introduction

Thank you for choosing the Vickers Elite Battlesight for your Heckler & Koch handgun. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the Vickers Elite Battlesight is compatible with your specific handgun model (VP9, P30SK, P30L, P30, HK45, HK45C, HK45C Tactical).
- Always handle firearms safely and responsibly. Follow the basic rules of firearm safety at all times.
- Keep the product out of reach of children and unauthorized users.
- Regularly check the sight for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the sight.
- Use the sight only in appropriate lighting conditions. The nonreflective surface helps reduce glare, but visibility may vary in extreme lighting.
- When clearing malfunctions, ensure that you are in a safe environment and that the firearm is pointed in a safe direction.
- Avoid using the sight in environments where it could be exposed to extreme conditions (e.g., excessive moisture, extreme temperatures) without proper protection.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights from the firearm if necessary.
- Align the Vickers Elite Battlesight with the mounting surface of your handgun.
- Secure the sight using the hardened setscrews provided. Ensure that they are tightened properly to prevent loosening during use.
- Check the alignment and make any necessary adjustments.

### 2. Usage:

- When aiming, use the deep, wide Unotch aperture to gain a clear sight picture.
- Employ the shelfstyle ledge for onehanded operation to clear malfunctions or rack the firearm.
- Practice regularly to become familiar with the sight's capabilities and your handgun's performance.

## Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the sight becomes damaged beyond repair, dispose of it in a manner that complies with electronic waste regulations in your area.

## **Contact Information for Further Support**

For safety inquiries or further support, please contact the manufacturer or your local dealer. Ensure that you have your product details ready for assistance.

By following these guidelines and precautions, you can ensure the safe and effective use of the Vickers Elite Battlesight. Thank you for your attention to safety.
