A Thumb-Saving Magazine Loader for Your Kel-Tec .22 WMR Guns

Shooting the Kel-Tec PMR-30 and CMR-30 is a ton of fun, because it seems like the rounds just don't stop feeding from that small magazine! However, the fun eventually stops once you hit 30 rounds, and then the tedious, thumbsore process of topping off magazines starts all over again. Eliminate this cumbersome process by using the Lula loader designed for these popular Kel-Tec guns. Each Lula Magazine Loader and Unloader provides a simple, affordable, easy-to-use unit that loads .22 WMR rounds into these stiff Kel-Tec magazines without issue. The loader saves shooters from sore thumbs and prevents premature wear on the feed lips, thereby lengthening the life of your magazine.

KELTEC PMR30 LULA® MAGAZINE LOADER & UNLOADER Safety Instruction Guide

Introduction

Thank you for choosing the KELTEC PMR30 LULA® Magazine Loader & Unloader. This product is designed to enhance your shooting experience by providing a simple and efficient way to load and unload .22 WMR rounds into your KelTec magazines. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always handle the magazine loader and unloader with care to prevent accidents.
- Ensure that the firearm is unloaded before using the magazine loader.
- Keep the magazine loader out of reach of children and unauthorized users.
- Inspect the magazine loader regularly for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearms and related accessories.

Specific Safety Precautions for Use

- Use the magazine loader only for loading and unloading .22 WMR rounds into KelTec PMR30 magazines.
- Do not attempt to use the loader for any other caliber or type of magazine.
- Always point the magazine away from yourself and others while loading and unloading.
- Avoid placing fingers inside the magazine well during operation to prevent injury.
- If you experience resistance while loading, stop and check for any obstructions before proceeding.

Instructions for Installation and Usage

1. Preparation:

- Ensure you are in a safe area away from distractions.
- Gather your .22 WMR rounds and the KelTec PMR30 magazine.

2. Loading the Magazine:

- Place the magazine loader on a flat surface.
- Insert the magazine into the loader with the feed lips facing up.
- Hold the loader securely and insert a round into the loader's designated area.
- Push down on the loader handle to seat the round into the magazine.
- Repeat this process until the magazine is fully loaded.

3. Unloading the Magazine:

- To unload, ensure the magazine is pointed away from yourself and others.
- Use the loader to push down on the rounds in the magazine, allowing them to be ejected one at a time.
- Continue until all rounds are removed.

4. PostUse Care:

- Store the magazine loader in a safe, dry place away from children.
- Regularly clean the loader to maintain its functionality.

Disposal Instructions

- When disposing of the magazine loader, follow local regulations for plastic and metal disposal.
- Do not dispose of the product in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or concerns regarding the KELTEC PMR30 LULA® Magazine Loader & Unloader, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your KELTEC PMR30 LULA® Magazine Loader & Unloader. Always prioritize safety and responsible handling when using firearms and related accessories. Thank you for your attention to these important safety measures.
