# SIG 320 XSERIES GRIP MODULE ASSEMBLY

## SAFETY INSTRUCTION GUIDE

### Introduction

Thank you for choosing the SIG 320 XSeries Grip Module Assembly. This guide provides essential safety instructions and information to ensure the safe use and handling of your product. Please read this guide thoroughly before using the grip module assembly.

### General Safety Guidelines

- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Ensure the firearm is unloaded before installing or handling the grip module assembly.
- Store the grip module assembly in a secure location, away from children and unauthorized users.
- Inspect the grip module assembly regularly for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Do not use the grip module assembly if it appears damaged or has been altered in any way.
- Only use the grip module assembly with compatible models: Sig Sauer P320 XSeries in 9mm Luger, 40 S&W, or 357 Sig.
- Ensure proper installation of the grip module assembly to avoid any operational issues.
- Follow all manufacturer instructions for the safe operation of your firearm.

### Instructions for Installation and Usage

#### 1. Installation of the Grip Module Assembly:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip module by following the manufacturer's instructions.
- Align the new grip module with the frame of the firearm.
- Firmly press the grip module into place until it clicks securely.
- Verify that the grip module is properly seated and does not move.

#### 2. Usage of the Grip Module Assembly:

- Grip the firearm firmly to ensure stability and control during use.
- Always keep your finger off the trigger until you are ready to shoot.
- Maintain awareness of your surroundings and ensure a clear line of fire.
- After use, clean and maintain the grip module assembly as recommended by the manufacturer.

### Disposal Instructions

- Dispose of the grip module assembly in accordance with local regulations for electronic waste and plastics.
- If the grip module assembly is damaged beyond repair, contact your local waste management authority for proper disposal methods.

### Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information

provided in the product packaging or on the official website.

This guide is designed to ensure your safety and the proper use of the SIG 320 XSeries Grip Module Assembly. By following these guidelines, you contribute to a safer environment for yourself and others. Thank you for your attention to safety.
