[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

The Foxtrot Mike Products Extra Heavy Pistol Buffer has internal Tungsten weights, to improve cycling of any blow-back operated AR-15 pistol action. With its extended length, the Foxtrot Mike Extra Heavy Pistol Buffer requires no spacer and helps prevent bolt catch breakage. By installing this buffer, you'll enjoy smoother function, less felt recoil, and reduced rate of fire from your AR pistol. The Foxtrot Mike Extra Heavy Buffer is compatible with all 9mm and 45 caliber upper receivers. Foxtrot Mike's Extra Heavy Pistol Buffer is the secret ingredient to make your AR-15 pistol reliable and smooth-cycling. Perfect for a 45 Caliber PCC build Compatible with all blow-back Pistol Caliber upper receivers Long duration, deep penetration Salt bath Nitride Melonite/QPQ finish gives lubricity and wear-resistance Extra Heavy 7.8 oz. (pistol) weight Extended Length, improves cycling No need for a spacer Made from Premium 4340 Steel Made in the U.S.A. Manufactured with ISO:9001 and AS:9100 quality certifications Extra weight reduces felt recoil in all PCC's Increases dwell time for all trigger groups, aids in proper function in any Pistol Caliber AR Build Comes standard with (2) heavy internal Tungsten Weights Internal weights help with "bolt bounce" and improves reset on all triggers

Safety Instruction Guide for AR15 MIKE45 HEAVY BUFFER

Introduction

Thank you for choosing the AR15 MIKE45 HEAVY BUFFER from Foxtrot Mike Products. This guide provides important safety instructions and information to ensure the safe use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the AR15 MIKE45 HEAVY BUFFER by following all instructions. This product is designed for specific blowback operated AR15 pistol actions.
- **Enhanced Recalls:** Be aware that in the event of a product recall, standardized notices will be provided. Always check for updates regarding recalls.
- **Online Shopping:** If purchased online, ensure the platform complies with safety regulations, similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by your retailer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Installation:** Ensure the buffer is installed correctly to avoid malfunction. Refer to the installation instructions below.
- **Compatibility:** This buffer is compatible with all 9mm and .45 caliber upper receivers only. Using it with incompatible systems may pose safety risks.
- **Weight Considerations:** The buffer weighs 7.8 oz. Ensure your AR15 pistol can handle this weight for optimal performance.
- **Recoil Management:** This buffer is designed to reduce felt recoil. However, always practice safe shooting techniques and be aware of your surroundings.
- **Regular Inspection:** Periodically inspect the buffer for wear or damage. Replace if necessary to maintain safe operation.
- **Avoid Modifications:** Do not modify the buffer or its components. Any alterations may compromise safety and performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer from the buffer tube.
- Insert the Foxtrot Mike Extra Heavy Pistol Buffer into the buffer tube.
- Ensure the buffer is seated properly and secure.
- No spacer is required for installation.
- Confirm that the buffer is functioning correctly before use.

2. Usage:

- Always wear appropriate eye and ear protection when using your AR15 pistol.
- Familiarize yourself with your firearm's operation and handling.
- Practice safe shooting habits, including keeping the firearm pointed in a safe direction and keeping

- your finger off the trigger until ready to fire.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- When disposing of the AR15 MIKE45 HEAVY BUFFER, follow local regulations for disposal of firearm components.
- Do not dispose of the buffer in regular household waste. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15 MIKE45 HEAVY BUFFER, please refer to the contact information provided by your retailer or manufacturer. They can assist you with safety inquiries and product support.

Thank you for your attention to these safety guidelines. By following these instructions, you can help ensure a safe and enjoyable experience with your AR15 MIKE45 HEAVY BUFFER.
