

# MINI RANGE CUBE BAG - WIEBAD MINI RANGE CUBE BAG COYOTE

[Home](#)

## Offers Elevation Options

Simple and reliable in design, the WieBad Mini Range Cube Bag offers shooters a four-sided rest with two different elevation options built into the design. The WieBad Mini Range Cube Bag was initially designed for benchrest-shooting competitions, but other consumers have found multiple uses for this versatile product, such as shooting from ATVs or other off-road vehicles. The cube can also be used in conjunction with the company's larger Range Cube to build a solid shooting platform. Each WieBad Mini Range Cube Bag measures 6 inches high, 4 inches wide and weighs in at 3 pounds. Available colors include Coyote, OD Green, Black and MultiCam.

# Safety Instruction Guide for WieBad Mini Range Cube Bag

## Introduction

Thank you for choosing the WieBad Mini Range Cube Bag. This product is designed to provide a stable shooting platform for various applications, including benchrest shooting and offroad vehicle shooting. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the bag for any damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the Mini Range Cube Bag on a stable and level surface to prevent tipping.
- Do not exceed the recommended weight limit of 3 pounds.
- Avoid using the bag in extreme weather conditions (e.g., heavy rain, strong winds) that could affect stability.
- Ensure that the bag is securely positioned before shooting.
- Do not use the bag as a support for any object other than firearms or shooting equipment.

## Instructions for Installation and Usage

### 1. Setup:

- Place the Mini Range Cube Bag on a flat, stable surface.
- Ensure that the bag is oriented with the desired elevation side facing up.

### 2. Loading:

- Gently place your firearm or shooting equipment on the designated area of the bag.
- Adjust the position as necessary to achieve the desired shooting angle.

### 3. Shooting:

- Always ensure that the area is clear of obstructions and that it is safe to shoot.
- Maintain a safe distance from other individuals while shooting.
- After use, remove all equipment from the bag and ensure it is clean and dry.

## Disposal Instructions

- Dispose of the WieBad Mini Range Cube Bag in accordance with local waste management regulations.
- If the bag is damaged beyond repair, consider recycling materials where possible, especially if made of Cordura fabric.
