

# IPHONE 7 & 8/7 & 8 PLUS BUMP CASES - MAGPUL IPHONE 7/8 BUMP CASE BLACK

[Shooting Accessories](#) > [Electronic Device Cases](#)

The Magpul Bump Case features two-material construction combining a hard protective shell with an inner shock absorbing layer, low profile PMAG style side ribs for enhanced grip, Magpul styling and single-piece snap-on design for easy installation and removal. The Bump Case has all the benefits of a hard polymer shell and semi-rigid liner without adding unnecessary bulk or weight. Designed and manufactured in the U.S.A. Compatible with standard iPhone 7 & iPhone 8, as well as iPhone 7 Plus, and 8 Plus Two-material rigid-shell construction provides protection against minor bumps and abrasions Compact design adds minimal bulk to the phone and is compatible with most wireless charging systems Textured surface and PMAG-style ribs for added grip yet allows for snag-free removal from pockets Raised lip protects screen when laid face down yet remains unobtrusive Ports, switches and buttons are fully accessible with case installed (optimized for use with factory cables) Fully compatible with Retina HD screen

# IPHONE 7 & 8/7 & 8 PLUS BUMP CASE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Magpul iPhone 7 & 8/7 & 8 Plus Bump Case. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this document thoroughly before using the case.

## General Safety Guidelines

- Ensure that the case is compatible with your device model (iPhone 7, iPhone 8, iPhone 7 Plus, or iPhone 8 Plus).
- Inspect the case for any signs of damage before use. Do not use a damaged case.
- Keep the case and device out of reach of small children to prevent choking hazards.
- Avoid exposing the case to extreme temperatures, moisture, or chemicals that may degrade its materials.
- Regularly check for wear and tear, and replace the case if any significant damage occurs.

## Specific Safety Precautions for Use

- **Screen Protection:** The raised lip of the case protects the screen when laid face down. Ensure the case is properly installed to maintain this feature.
- **Accessibility:** Ensure that all ports, switches, and buttons are fully accessible when the case is installed. Do not obstruct any openings.
- **Wireless Charging:** The case is compatible with most wireless charging systems. Ensure that the case does not interfere with charging.
- **Grip:** The textured surface and PMAGstyle ribs enhance grip but always handle your device with care to avoid accidental drops.

## Instructions for Installation and Usage

### 1. Installation:

- Align the case with your iPhone, ensuring that the buttons and ports match the openings in the case.
- Gently press down on the edges of the case until it snaps securely onto your device.
- Verify that the case is fully attached and that all ports and buttons are accessible.

### 2. Usage:

- Use the case as intended, ensuring that it remains clean and free from debris.
- Avoid using the case in environments where it may be exposed to excessive moisture or impact.
- If the case becomes dirty, clean it with a soft, damp cloth. Avoid harsh chemicals or abrasive materials.

## Disposal Instructions

- Dispose of the case in accordance with local regulations regarding electronic waste.
- If the case is no longer usable, consider recycling it where facilities are available.
- Do not dispose of the case in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of your Magpul iPhone Bump Case, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy the protection and style that your Magpul iPhone Bump Case offers!
