Safety Instruction Guide for Magpul iPhone 7 & 8/7 & 8 Plus Bump Cases

Introduction

Thank you for choosing the Magpul Bump Case for your iPhone 7, iPhone 8, iPhone 7 Plus, or iPhone 8 Plus. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the Bump Case.

General Safety Guidelines

- **Product Safety:** The Magpul Bump Case is designed to provide protection against minor bumps and abrasions. Ensure that the case is properly installed to maximize its protective features.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Please follow any instructions provided for returning or replacing the product.
- **Online Shopping:** When purchasing online, ensure that you are buying from authorized retailers to guarantee product safety and compliance with EU regulations.
- **Special Consumer Focus:** This product is not intended for children under the age of 14 without adult supervision. Keep the case and all packaging materials out of reach of young children.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about any safety updates or alerts related to this product by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Excessive Force:** Do not apply excessive force when installing or removing the case, as this may damage the case or the device.
- **Check Compatibility:** Ensure that your device model is compatible with the Bump Case before use.
- **Inspect Regularly:** Regularly inspect the case for signs of wear and tear. Replace the case if it is damaged.
- **Avoid Water Exposure:** The Bump Case is not waterproof. Avoid exposing it to water or other liquids to prevent damage to your device.
- **Monitor for Overheating:** If your device overheats while in the case, remove it immediately to allow for cooling.

Instructions for Installation and Usage

1. Installation:

- Align the case with your iPhone 7, iPhone 8, iPhone 7 Plus, or iPhone 8 Plus.
- Gently press the device into the case, ensuring that all corners are securely fitted.
- Check that all ports, buttons, and switches are accessible and unobstructed by the case.

2. Usage:

- Use the case as a protective cover for your device during daily activities.
- The textured surface and PMAGstyle ribs provide enhanced grip. Ensure that your hands are dry while handling the device to prevent slips.
- The raised lip of the case protects the screen when laid face down. Always place the device on a clean, flat surface.

3. Removal:

- To remove the case, gently pull at the corners while lifting the device out of the case.
- Avoid using sharp objects to pry the case off, as this may scratch your device.

Disposal Instructions

- **Recycling:** Dispose of the Bump Case according to local recycling guidelines. The materials used in the case are recyclable.
- **Environmental Considerations:** Do not dispose of the product in regular household waste. Follow local regulations for electronic waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the Magpul Bump Case, please refer to the contact information provided by your retailer or manufacturer. They will assist you with any inquiries related to product safety and support.

Thank you for your attention to these safety instructions. Enjoy the protection and style that the Magpul Bump Case offers for your iPhone!
