The Magpul DAKA Pouch. Designed to bring organization to the dusty, dirty, and muddy world we work and play in. Our DAKA pouches are made from polymer-infused textiles that are RF welded on all seams and use a genuine YKK® water resistant zipper. For our Window DAKA Pouches, we've added a translucent window to make organizing your accessories even easier. The construction methods and materials used in the DAKA line mean that these pouches are at home in hard use applications such as storing tools or reloaded ammunition, as well as lighter duty use such as organizing your personal electronics accessories. Although these pouches are not 100% water proof, they will keep your items dry in most wet environments, making them a great choice for most outdoor adventures. Made in the U.S.A. Features Reinforced polymer fabric with anti-slip texture Window for easy organization RF welded construction that creates permanent, impenetrable seals YKK AquaGuard® water repellent zipper 550 paracord with heat shrink tubing for enhanced grip, even with gloves Chemical resistant and non-hygroscopic Paint pen dot matrix debossed into body for identification marking Carabiner attachment points

DAKA WINDOW POUCHES MAGPUL DAKA SMALL WINDOW POUCH BLACK Safety Instruction Guide

Introduction

Thank you for choosing the Magpul DAKA Small Window Pouch. This pouch is designed to help you organize your accessories in various environments, from dusty workspaces to wet outdoor adventures. To ensure safe and effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Always inspect the pouch before use for any signs of damage or wear.
- Keep the pouch out of reach of children to prevent accidental suffocation or strangulation.
- Do not overload the pouch beyond its intended capacity to avoid damage and ensure safe handling.
- Ensure that the pouch is used in accordance with its intended purpose, as outlined in this guide.
- In case of any accidents or damage, report them to the appropriate authorities.

Specific Safety Precautions for Use

- **Water Resistance:** While the pouch is designed to keep items dry in most wet environments, it is not 100% waterproof. Avoid submerging the pouch in water.
- **Chemical Resistance:** The pouch is made from chemical-resistant materials, but it is advisable to avoid exposing it to harsh chemicals that may compromise its integrity.
- **Heat Exposure:** Do not expose the pouch to extreme heat sources, as this may damage the materials and compromise safety.
- **Sharp Objects:** When storing sharp objects, ensure they are securely placed within the pouch to prevent punctures or injuries.
- **Use with Gloves:** The pouch is designed with enhanced grip features, but be cautious when using it with gloves to ensure safe handling.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the pouch from its packaging. Inspect for any damage or defects.
2. **Organizing Contents:**
 - Open the YKK AquaGuard® waterrepellent zipper.
 - Place your accessories inside the pouch, ensuring they are organized and secured.
 - Use the translucent window to easily identify contents without opening the pouch.
3. **Carabiner Attachment:** If using the carabiner attachment points, ensure they are securely fastened to prevent accidental detachment.
4. **Storage:** Store the pouch in a cool, dry place when not in use. Avoid exposure to direct sunlight for extended periods.

Disposal Instructions

- Dispose of the pouch responsibly in accordance with local regulations.
- If the pouch is damaged beyond repair, consider recycling the materials if possible.
- Do not burn the pouch, as this may release harmful chemicals.
