The Magpul DAKA Pouch. Designed to bring organization to the dusty, dirty, and muddy world we work and play in. Our DAKA pouches are made from polymer-infused textiles that are RF welded on all seams and use a genuine YKK® water resistant zipper. For our Window DAKA Pouches, we've added a translucent window to make organizing your accessories even easier. The construction methods and materials used in the DAKA line mean that these pouches are at home in hard use applications such as storing tools or reloaded ammunition, as well as lighter duty use such as organizing your personal electronics accessories. Although these pouches are not 100% water proof, they will keep your items dry in most wet environments, making them a great choice for most outdoor adventures. Made in the U.S.A. Features Reinforced polymer fabric with anti-slip texture Window for easy organization RF welded construction that creates permanent, impenetrable seals YKK AquaGuard® water repellant zipper 550 paracord with heat shrink tubing for enhanced grip, even with gloves Chemical resistant and non-hygroscopic Paint pen dot matrix debossed into body for identification marking Carabiner attachment points
