

DAKA WINDOW POUCHES - MAGPUL DAKA LARGE WINDOW POUCH BLACK

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

The Magpul DAKA Pouch. Designed to bring organization to the dusty, dirty, and muddy world we work and play in. Our DAKA pouches are made from polymer-infused textiles that are RF welded on all seams and use a genuine YKK® water resistant zipper. For our Window DAKA Pouches, we've added a translucent window to make organizing your accessories even easier. The construction methods and materials used in the DAKA line mean that these pouches are at home in hard use applications such as storing tools or reloaded ammunition, as well as lighter duty use such as organizing your personal electronics accessories. Although these pouches are not 100% water proof, they will keep your items dry in most wet environments, making them a great choice for most outdoor adventures. Made in the U.S.A. Features Reinforced polymer fabric with anti-slip texture Window for easy organization RF welded construction that creates permanent, impenetrable seals YKK AquaGuard® water repellant zipper 550 paracord with heat shrink tubing for enhanced grip, even with gloves Chemical resistant and non-hygroscopic Paint pen dot matrix debossed into body for identification marking Carabiner attachment points

DAKA WINDOW POUCHES MAGPUL DAKA LARGE WINDOW POUCH BLACK Safety Instruction Guide

Introduction

Thank you for choosing the DAKA Window Pouches by Magpul. These pouches are designed to help you organize your accessories while ensuring durability and functionality in various environments. This safety instruction guide provides essential information on the safe use, installation, and disposal of your DAKA pouch, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure safe use of the DAKA Window Pouch, please follow these general safety guidelines:

- Always inspect the pouch for any signs of damage before use.
- Keep the pouch away from sharp objects that may puncture or tear the fabric.
- Avoid exposing the pouch to extreme heat or open flames.
- Do not overload the pouch beyond its intended capacity.
- Use the pouch only for its intended purpose; avoid using it for food storage or any hazardous materials.
- Ensure that children do not use the pouch unsupervised, as it may contain small parts or accessories that pose a choking hazard.

Specific Safety Precautions for Use

When using the DAKA Window Pouch, please adhere to the following precautions:

- Handle with care to avoid damage to the RF welded seams.
- Ensure the zipper is fully closed before exposing the pouch to wet conditions.
- Avoid using the pouch in environments where it may be exposed to harsh chemicals or solvents.
- If using the pouch with gloves, ensure that the 550 paracord grip is secure to prevent slipping.
- Regularly check the condition of the carabiner attachment points to ensure they are secure and functional.

Instructions for Installation and Usage

To maximize the functionality and lifespan of your DAKA Window Pouch, follow these instructions:

1. **Unpacking:** Carefully remove the pouch from its packaging, ensuring not to use sharp tools that may damage the product.
2. **Inspection:** Check for any visible defects or damages. If any issues are found, do not use the pouch and contact customer support for assistance.
3. **Usage:**
 - Open the pouch using the YKK AquaGuard zipper.
 - Organize your accessories within the pouch, utilizing the translucent window for easy identification.
 - Close the zipper securely after each use to maintain the waterresistant properties of the pouch.
4. **Attachment:** If necessary, use the carabiner attachment points to secure the pouch to your gear or backpack for easy access.
5. **Cleaning:** Clean the pouch with a damp cloth and mild soap. Avoid using abrasive cleaners that may damage the fabric.

Disposal Instructions

When it comes time to dispose of your DAKA Window Pouch, please follow these guidelines:

- Do not dispose of the pouch in regular waste if it is damaged or contains hazardous materials.
- Check local regulations for proper disposal methods for polymerinfused textiles.
- If the pouch is still in usable condition, consider donating it to a local charity or organization that could benefit from it.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please contact the manufacturer or your point of purchase. It is important to have a reliable support system for addressing any issues or questions you may have.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your DAKA Window Pouch. Remember to regularly check for updates on safety recalls or product information through the EU's Safety Gate platform. Thank you for choosing Magpul for your organizational needs. Enjoy your outdoor adventures!
