[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Magpul Pro 700L Rifle Chassis is an uncompromising, full featured precision rifle chassis for long action Remington 700 and Remington 700-footprint rifles. The Pro 700L combines innovative engineering, precision machining, Mil-Spec quality finishes, and an extensive list of purposeful design features with complete adjustability to provide demanding end users with the most comprehensive available precision rifle platform solution for true out of the box performance. Based on a full billet aluminum skeleton and clad in Magpul polymer for environmental comfort, noise mitigation, and ergonomics, the Pro 700L is also fully ambidextrous. Capable of fitting both right and left-handed actions with the simple swap of a bolt-cutout plate, and with a reversible cheek riser and reversible hinge on the folding version, "lefties" haven't been "left out." MAG1002 PRO 700L - FOLDING STOCK IS SUPPLIED WITH THE PRO FHA - FOLDING HINGE ADAPTER (MAG999) INSTALLED MAG1003 PRO 700L - FIXED STOCK IS SUPPLIED WITH THE PRO FSA - FIXED STOCK ADAPTER (MAG998) INSTALLED Type III hard anodized machined 6061-T6 billet aluminum V-bedding block, body, adjustment knobs and forend with high strength injection molded polymer body covers optimally placed for comfort and aesthetics Ambidextrous bedding block can be changed by swapping the QD sling swivel plate and bolt retainer inserts for left or right hand actions using a 1/8" hex wrench A Magpul Pro NVM - Night Vision Mount clip-on mounting rail solution is available Overall LOP adjustment range is 13.25" - 15.125" Butt-pad height can be adjusted up 1.33" and down .90" and is adjustable left or right for a total of 5 degrees Comb height adjustment has a 1" range with a secondary locking knob to eliminate movement in the cheek riser Cheek riser features a 3-position fore/aft adjustment of +.375", 0" and -.375" which can also be changed for left or right side usage using only a common hex wrench Injection molded polymer grip with 5 degree forward edge sweep and enlarged palm swell with 7 degree aft edge sweep for enhanced user comfort combined with a .75" fore/aft adjustment range using a common hex wrench. Additional grip option included with a more aggressive sweep and enlarged palm swell for the shooter that is more inclined to a less vertical grip interface (8 degree forward / 20 degree aft edge sweep) Durable cast steel rotation limited QD sling swivel mounts with Melonite finish fits up to 1.5" push button swivels M-LOK slots for accessory mounting on the forend (left-6/right-6/bottom-7) and the stock (bottom-2) Integrated AICS pattern magazine well of reinforced polymer construction optimized for PMAG® 5 AC™ L, Standard and PMAG® 5 AC™ L, Magnum - AICS Long Action magazines as well as most other AICS pattern long action magazines Large trigger guard allows for use with gloves and accepts most factory and aftermarket curved or flat triggers Low-profile, anti-snag ambidextrous magazine release is made of Melonite treated steel for wear and corrosion resistance Made in the U.S.A.

# Safety Instruction Guide for REMINGTON 700 LONG ACTION STOCKS MAGPUL PRO 700L FIXED STOCK

## Introduction

Thank you for choosing the Magpul Pro 700L Fixed Stock for your Remington 700 long action rifle. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the stock.

## General Safety Guidelines

- Ensure that the stock is installed correctly on your rifle before use.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and stock in a secure location, away from unauthorized users, especially children.
- Regularly inspect the stock and rifle for any signs of wear or damage.
- Use appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.

## Specific Safety Precautions for Use

- The stock is designed for use with Remington 700 long action rifles only. Do not attempt to use it with other models.
- Ensure that the stock is fully secured before firing the rifle.
- Adjust the length of pull (LOP) and other adjustable features only when the firearm is not loaded and pointed in a safe direction.
- Be cautious when adjusting the cheek riser and buttpad height to avoid pinching your fingers.
- If you experience any difficulty with the stock or notice any unusual behavior during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that your Remington 700 long action rifle is unloaded and pointed in a safe direction.
2. **Remove the Existing Stock:** Carefully detach the existing stock from the rifle by unscrewing the action screws.
3. **Install the Pro 700L Stock:**
  - Align the action of the rifle with the bedding block of the Pro 700L stock.
  - Secure the stock to the rifle using the action screws. Ensure they are tightened to the manufacturer's specifications.
4. **Adjust the Features:**
  - Adjust the length of pull (LOP) by sliding the buttpad to your desired length.
  - Adjust the cheek riser and other features as needed for your comfort and shooting style.
5. **Final Check:** Ensure all adjustments are secure and that the stock is firmly attached to the rifle.

### Usage

- Before firing, doublecheck that the firearm is in a safe condition.
- Use the adjustable features to customize the fit of the stock to your body for improved comfort and accuracy.

- Follow all standard firearm safety rules while using the rifle equipped with the Pro 700L stock.

## **Disposal Instructions**

- When disposing of the stock, follow local regulations regarding the disposal of firearm parts and materials.
- If the stock is damaged beyond repair, consider recycling the materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding the safety or use of the Magpul Pro 700L Fixed Stock, please refer to the manufacturer's website or contact their customer support.

By following these safety guidelines, you can ensure a safe and enjoyable experience with your Magpul Pro 700L Fixed Stock. Thank you for prioritizing safety while using your firearm.
