[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The Magpul SL Hand Guard for the HK94/MP5 brings proven Magpul reliability and ingenuity to the HK94/MP5 platform. With high-strength, injection-molded polymer, the SL handguard provides the user with improved ergonomics, anti-slip texturing, and a modern aesthetic, all without sacrificing the iconic silhouette of the firearm. This drop-in 8-inch handguard incorporates a corrosion-resistant threaded steel fastener, our high-strength polymer construction, and M-LOK® compatible slots to provide a rigid, stable foundation for mounting modern accessories. This SL Hand Guard features a small muzzle-end hand stop, similar to legacy Magpul SL hand guards.

- Reinforced polymer construction provides rigidity and stability
- Corrosion-resistant, mil-spec manganese phosphate threaded steel fastener
- M-LOK compatible slots at the 3, 6, and 9 o'clock positions
- Drop-in installation

This product can serve as one 922(r) compliant component for imported HK94/MP5 firearms and clones. Drop-in design compatible with HK94/MP5 firearms and clones.

Safety Instruction Guide for HK94/MP5 SL Handguard by Magpul

Introduction

Thank you for choosing the Magpul SL Handguard for your HK94/MP5 firearm. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read through this document carefully before installation and use.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Use appropriate eye and ear protection when handling firearms.
- Store the firearm and its accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the handguard and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Do not use the handguard if it shows any signs of damage or excessive wear.
- Ensure that the handguard is compatible with your specific HK94/MP5 model before installation.
- Only use accessories that are compatible with MLOK slots to avoid compromising the integrity of the handguard.
- Avoid exposing the handguard to extreme temperatures or harsh chemicals that may affect its material properties.
- If you experience any unusual performance issues with the handguard or firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a wrench for the steel fastener.

2. Installation Steps

- Remove the existing handguard from your HK94/MP5 by following the manufacturer's instructions.
- Align the Magpul SL Handguard with the firearm's mounting points.
- Insert the corrosion-resistant threaded steel fastener into the designated hole and tighten securely using the appropriate tool.
- Ensure that the handguard is firmly attached and does not wobble or move.

3. Usage

- Familiarize yourself with the features of the SL Handguard, including the MLOK slots for mounting accessories.
- Use the hand stop at the muzzle end for improved control and stability while aiming and firing.
- Regularly check the attachment of the handguard and any mounted accessories before use.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding plastic and polymer materials.
- Do not burn the handguard, as it may release harmful substances when incinerated.
- Consider recycling the product if facilities are available in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Magpul SL Handguard, please consult the manufacturer's website or your local authorized dealer.

By following these guidelines, you can ensure the safe and effective use of the Magpul SL Handguard for your HK94/MP5 firearm. Always prioritize safety and compliance with local laws when handling firearms and their accessories.
