

HK94/93/91/MP5 & SEMI SHELF HK CLONES SL GRIP MODULE - MAGPUL SL GRIP MODULE FOR HK94/93/91/MP5 & SEMI SHELF HK CLONES

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Magpul® SL Grip Module is a high-strength, injection-molded polymer grip module for HK94/93®/91® & Semi Shelf HK® Clones. Designed with improved ergonomics, a non-slip texture, and a modern aesthetic, the SL Grip Module brings numerous enhancements without sacrificing the iconic silhouette of the firearm. Containing innovations found in our other grips, the SL Grip Module provides increased firearm control with a TSP texture and easier to access fire control components through an optimized grip angle. HK “Navy-style” pictograph markings give a clear indication of the selector position while the MIAD®/MOE® Storage Core compatibility keeps necessary small items at hand. The combination of our high-strength polymer and corrosion-resistant steel components provide proven Magpul reliability. Optimized grip angle and TSP texture for positive weapon control in all environments HK “Navy-style” style pictograph selector markings (Safe/Semi/Full-Auto) Enhanced ergonomics allow easier access to fire control components. Accepts MIAD/MOE Storage Cores High-strength polymer and corrosion-resistant steel construction This product can serve as one 922(r) compliant component for imported MP5 clones. Drop-in installation COMPATIBILITY HK94, 93, 91, and HK clones with a semi shelf receiver interface Fits reverse stretch MP5K/clones Will fit Zenith Firearms MP5 clones with the exception of the K models Accommodates three-position S-E-F and Safe-Semi trigger packs Compatible with Magpul ESK and S-E-F/Safe-Semi SSL for polymer trigger housing units Not compatible with S-E-F/Safe-semi SSL for metal trigger housing units The SL Grip Module is not compatible with “swing-down” receivers Does not fit “K-length” receivers BLACK

Safety Instruction Guide for Magpul SL Grip Module for HK94/93/91/MP5 & Semi Shelf HK Clones

Introduction

Thank you for choosing the Magpul SL Grip Module for your HK94/93/91/MP5 or Semi Shelf HK Clones. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing the grip module.
- Use the grip module only with compatible firearms as specified in the product description.
- Regularly inspect the grip module for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Keep the grip module and all firearms out of reach of children and unauthorized users.
- In case of any malfunction or safety concern, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure a proper fit to avoid any operational issues. The SL Grip Module is designed for HK94, 93, 91, and HK clones with a semi shelf receiver interface.
- Do not attempt to install the grip module on “swingdown” receivers or “Klength” receivers as it may lead to improper function.
- Be aware that the grip module accommodates threeposition SEF and SafeSemi trigger packs. Ensure compatibility before use.
- Avoid using the grip module with metal trigger housing units if they are not compatible.
- Always handle firearms in a safe manner, treating every firearm as if it is loaded.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if applicable).

2. Installation:

- Remove the existing grip module from your firearm by following the manufacturer’s instructions.
- Align the Magpul SL Grip Module with the receiver interface of your firearm.
- Securely attach the grip module, ensuring it is fitted properly and does not move or wobble.
- Check that the grip module is seated correctly and that all components are functioning properly.

3. Usage:

- Grip the firearm firmly using the SL Grip Module, ensuring a positive weapon control in all environments.
- Familiarize yourself with the HK “Navystyle” pictograph selector markings to ensure correct operation.
- Utilize the MIAD/MOE Storage Core compatibility to keep necessary items accessible during use.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations regarding plastic and polymer materials.
- Do not incinerate or expose to extreme heat, as this may release harmful substances.
- If the grip module is damaged beyond repair, consider recycling options that comply with local waste management guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Magpul SL Grip Module, please consult your local dealer or authorized retailer for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Magpul SL Grip Module. Always prioritize safety and responsible firearm handling.
