## **FN 509 TACTICAL OPTIC MOUNT**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

### **A Secure Optics Mount for Your ACRO/FN 509 Combination**

For users of the FN 509 Tactical, one of the most-attractive optics options on the market is the Aimpoint ACRO, which features a durable, self-contained housing that enhances the unit's durability and usability in harsh weather. Now, Apex Tactical offers the mounting plate needed to pair the FN 509 Tactical Slide with the Aimpoint ACRO, allowing users to blend these two battle-ready elements into one complete platform. Each Apex Tactical Optic Mount is machined from heat-treated steel and features a black Melonite finish that resists corrosion and enhances durability.

# FN 509 Tactical Optic Mount Safety Instructions

## Introduction

Thank you for choosing the FN 509 Tactical Optic Mount from Apex Tactical Specialties Inc. This product is designed to enhance your firearm's performance by allowing the attachment of an Aimpoint ACRO optic. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat firearms and accessories as if they are loaded.
- Ensure that the FN 509 Tactical Optic Mount is installed correctly before use.
- Regularly inspect the optic mount for signs of wear or damage.
- Keep the optic mount and firearm stored in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that your shooting environment is safe.
- Follow all local laws and regulations regarding firearm use and modifications.

## Specific Safety Precautions for Use

- Use only the Aimpoint ACRO optic with the FN 509 Tactical Optic Mount.
- Do not exceed the manufacturer's recommended torque specifications during installation.
- Avoid using the optic mount in extreme weather conditions without proper inspection.
- If you notice any unusual movement or looseness in the optic after installation, cease use immediately and inspect the mount.
- Ensure that all screws and components are tightly secured before each use.
- Do not attempt to modify or alter the optic mount in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure the FN 509 Tactical is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Remove the existing optic or cover plate from the FN 509 Tactical Slide.
- Align the Apex Tactical Optic Mount with the mounting holes on the slide.
- Insert the screws provided with the optic mount into the mounting holes.
- Use a torque wrench to tighten the screws to the manufacturer's specified torque setting.
- Attach the Aimpoint ACRO optic to the mount according to the manufacturer's instructions.

### 3. Usage:

- Once installed, test the optic to ensure proper alignment and functionality.
- Regularly check the mount and optic for secure attachment before use.
- Practice safe handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of the FN 509 Tactical Optic Mount in accordance with local regulations.
- Do not dispose of the optic mount in regular household waste.
- If the product is damaged or no longer in use, consider recycling materials where possible.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the FN 509 Tactical Optic Mount, please contact the manufacturer directly. Ensure you have your product information ready for reference.

By following these safety instructions, you can ensure that your FN 509 Tactical Optic Mount is used safely and effectively. Always prioritize safety and responsibility when handling firearms and accessories.
