## **An Easy Add-On That Keeps Your Free-Float Handguard Cool**

If you've ever left your free-float handguard-equipped rifle out in the hot sun or put a bunch of rounds through it quickly, you know that your forend can get hot pretty fast. In fact, it can get hot enough that it's uncomfortable or impossible to get a solid support grip on your gun at times, which significantly impacts shooter effectiveness. That's why the SHTF + Stop Heat TransFer Wrap handguard cover is a must-have for those with handguards that warm up quickly. Each SHTF + Stop Heat TransFer Wrap handguard cover wraps around 9-15 inches of a rifle's handguard, preventing heat transfer and keeping a shooter's support hand cool. The wrap uses a specially developed thermal-insulating material that not only protects against heat but also prevents scratches and dings to your gun when used against barricades. Additionally, those using guns in extremely cold weather will also enjoy the protection it provides against freezing-cold metal handguards. Though the SHTF + Stop Heat TransFer Wrap handguard cover was designed for the AR-15, it will also work on FALs, Sterling submachine guns, M1 Garands and M14s, as well as any other rifle with a thin handguard that heats up quickly after rapid fire. Black and coyote-brown colors are available. The SHFT+ Short Handguard Cover is perfect for those SBRs, AR pistols, or BRN-180S uppers.

## **Attributes**

- Name: [SHTF+HANDGUARD COVER MULTICAM](#)
- Manufacturer: [KE ARMS](#)
- Product no.: 100035806
- Mfr. No.: 1-50-03-344-MC

# SHTF + HANDGUARD COVER Safety Instruction Guide

## Introduction

Thank you for choosing the SHTF + HANDGUARD COVER. This product is designed to enhance your shooting experience by preventing heat transfer and protecting your handguard. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure safe use of the SHTF + HANDGUARD COVER by following these guidelines:
  - Always inspect the product before use for any signs of wear or damage.
  - Use the cover only on compatible handguards as specified in the product details.
  - Keep the product out of reach of children to prevent accidents.
  - Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- To maximize safety while using the SHTF + HANDGUARD COVER, adhere to the following precautions:
  - Avoid direct contact with hot surfaces; allow the firearm to cool before handling.
  - Ensure that the cover is securely fastened to prevent it from slipping during use.
  - Do not use the cover in conjunction with other heatdissipating devices unless specified.
  - Be aware of your surroundings and avoid using the firearm in crowded or unsafe environments.

## Instructions for Installation and Usage

- Follow these steps to properly install and use the SHTF + HANDGUARD COVER:
  1. **Preparation:**
    - Ensure the firearm is unloaded and safe to handle.
    - Clean the handguard surface to remove any debris or oils.
  2. **Installation:**
    - Wrap the SHTF + HANDGUARD COVER around the handguard, covering 915 inches as needed.
    - Ensure the cover fits snugly and securely around the handguard.
    - Check that the cover does not obstruct any operational components of the firearm.
  3. **Usage:**
    - When shooting, maintain a proper grip on the firearm, using the cover to shield your support hand from heat.
    - Monitor the temperature of the firearm during use; if it becomes excessively hot, cease firing and allow it to cool.
  4. **PostUse:**
    - After use, remove the cover if desired and inspect it for any damage.
    - Store the cover in a cool, dry place when not in use.

## Disposal Instructions

- When disposing of the SHTF + HANDGUARD COVER, please follow these guidelines:
  - Check local regulations for disposal of textile products.
  - If the cover is damaged beyond use, consider recycling options if available.
  - Do not dispose of in regular household waste if it can be recycled.

## Contact Information for Further Support

- For any safety inquiries or further support regarding the SHTF + HANDGUARD COVER, please refer to the manufacturer's contact details provided with your product.

By following these instructions, you can ensure a safe and effective experience with your SHTF + HANDGUARD COVER. Thank you for your attention to safety and responsible use.
