Safety Instruction Guide for DSC 1/2X36 Thread Protector

Introduction

Thank you for choosing the DSC 1/2X36 Thread Protector by Double Star. This product is designed to protect barrels threaded in 1/236 threads. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the thread protector is compatible with your barrel's threading before use.
- Inspect the product for any visible damage or defects before installation.
- Store the thread protector in a cool, dry place when not in use.
- Keep the product out of reach of children to avoid accidental use or injury.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear (e.g., gloves and eye protection) when handling or installing the thread protector.
- Do not use the thread protector if it shows signs of wear or damage.
- Ensure the thread protector is securely attached before using the barrel to prevent accidents.
- Avoid using excessive force when installing or removing the thread protector to prevent damage.
- Do not modify the thread protector in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Preparation:

- Clean the barrel threads to remove any debris or residue.
- Inspect the thread protector for any defects.

2. Installation:

- Align the thread protector with the barrel threads.
- Carefully screw the thread protector onto the barrel by turning it clockwise until it is snug.
- Do not overtighten, as this may damage the threads.

3. Usage:

- The thread protector is intended for use only when the barrel is not in active use.
- Remove the thread protector before attaching any accessories or using the barrel.

4. Removal:

- To remove the thread protector, turn it counterclockwise until it is free from the barrel.
- Check the barrel threads for any damage after removal.

Disposal Instructions

- Dispose of the thread protector in accordance with local regulations.
- If the product is damaged or no longer usable, recycle it if possible, or dispose of it in a responsible

manner.

Contact Information for Further Support

For any safety inquiries or concerns regarding the DSC 1/2X36 Thread Protector, please refer to the contact information provided on the packaging or in the product documentation.

By following these guidelines, you can ensure the safe and effective use of your DSC 1/2X36 Thread Protector. Thank you for your attention to safety.
