# Safety Instruction Guide for M5 (.308) Enhanced Gen2 MLOK Handguards

## Introduction

Thank you for choosing the M5 (.308) Enhanced Gen2 MLOK Handguards by Aero Precision. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your handguard. Please read this document carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** This handguard is designed for safe use in nonfood applications. Ensure you follow all safety instructions to mitigate risks.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Please keep your purchase information accessible.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact information provided by the retailer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** This handguard is specific to the M5 (.308) and M5E1 platform. It is not compatible with AR15/M4E1 platforms. Ensure compatibility before use.
- **Installation:** Improper installation may lead to accidents or product failure. Follow the installation instructions carefully.
- **Muzzle Device and Suppressor Fit:** Ensure that the inside diameter (1.72") fits your muzzle devices and suppressors (1.5"). Verify compatibility before installation.
- **Gas Block Compatibility:** This handguard is compatible with low profile gas blocks. Confirm that your gas block meets this requirement.
- **Weight Considerations:** This handguard is lightweight but still provides stability. Avoid overloading it with excessive attachments.
- **Inspection:** Regularly inspect the handguard for any signs of wear or damage. Do not use if damaged.

## Instructions for Installation and Usage

### 1. Gather Required Tools:

- Wrench for barrel nut installation.
- Torque wrench for proper tightening.
- Allen keys for mounting accessories.

### 2. Installation Steps:

- Ensure the firearm is unloaded and safe to work on.
- Remove the old handguard if applicable.
- Install the barrel nut (sold separately) according to the manufacturer's instructions.
- Slide the handguard over the barrel nut until it is seated properly.
- Tighten the handguard using the provided antirotation tabs to ensure it is secure.
- Attach any accessories to the MLOK slots as needed.

### 3. Usage:

- Always ensure the firearm is pointed in a safe direction when handling.
- Use the handguard as intended for stabilization and accessory mounting.
- Regularly check the tightness of attachments to prevent loosening during use.

## Disposal Instructions

- Dispose of the handguard responsibly. Do not throw it in regular household waste.
- If the handguard is damaged, contact local waste management services for proper disposal methods.
- Consider recycling the aluminum material if possible.

## Contact Information for Further Support

For additional support or inquiries regarding safety, please refer to the contact information provided by the retailer from whom you purchased the product.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your M5 (.308) Enhanced Gen2 MLOK Handguards!
