# M5 (.308) Enhanced Gen2 MLOK Handguards Safety Instruction Guide

## Introduction

Thank you for choosing the M5 (.308) Enhanced Gen2 MLOK Handguards by Aero Precision. This guide provides essential safety instructions, installation tips, and precautions to ensure safe and effective use of your handguard. Please read this document carefully before proceeding with installation and use.

## General Safety Guidelines

- Always ensure that the handguard is compatible with your firearm model before installation.
- Inspect the handguard for any visible defects or damage before use.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- This handguard is designed specifically for the M5 (.308) platform. It is not compatible with AR15/M4E1 platforms.
- Ensure that the barrel nut is purchased separately as it is not included with the handguard.
- Always use appropriate tools and protective gear when installing the handguard.
- Avoid overtightening the handguard during installation, as this may cause damage.
- Do not attempt to modify the handguard in any way, as this may compromise its integrity and safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components, including the handguard, barrel nut (to be purchased separately), and any required mounting hardware.
- Ensure that your workspace is clean and free from distractions.

### 2. Installation:

- Remove the existing handguard from your firearm, if applicable.
- Install the barrel nut according to the manufacturer's instructions.
- Slide the M5 (.308) Enhanced Gen2 MLOK Handguard over the barrel nut.
- Align the builtin antirotation tabs with the corresponding slots on the barrel nut.
- Secure the handguard in place using the provided mounting hardware.
- Confirm that the handguard is firmly attached and does not rotate.

### 3. Usage:

- Once installed, ensure that the handguard is free from obstructions.
- Use the MLOK system to attach additional accessories as needed.
- Regularly check the handguard and attachments for tightness and security.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- If the handguard is damaged or no longer usable, consider recycling the aluminum material where

possible.

- Do not dispose of the handguard in regular household waste.

## Contact Information for Further Support

For any safety inquiries or further support, please refer to your local Aero Precision distributor or authorized dealer. Ensure you have your product information ready to assist with your inquiry.

By following these guidelines, you can ensure a safe and enjoyable experience with your M5 (.308) Enhanced Gen2 MLOK Handguards. Thank you for your attention to safety.
