# Safety Instruction Guide for AR15 Recoil Reducing Pistol Grip

## Introduction

Thank you for choosing the AR15 Recoil Reducing Pistol Grip by Advanced Technology. This product is designed to enhance your shooting experience by reducing recoil and improving comfort. It is important to follow the safety guidelines and instructions outlined in this document to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat your firearm and its components as if they are loaded.
- Ensure that you are familiar with the operation and safety features of your firearm.
- Use this grip only with compatible firearms (AR15 and AR10).
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Store your firearm and accessories in a secure location away from children and unauthorized users.
- Regularly inspect your firearm and its accessories for wear and damage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the grip is properly installed before using the firearm.
- Do not modify the grip or any part of the firearm without consulting a qualified gunsmith.
- Avoid using the grip in extreme temperatures or in contact with harsh chemicals.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- If you experience discomfort or difficulty while using the grip, discontinue use and seek assistance.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the original mounting hardware and any necessary tools.
2. **Remove Old Grip:** If replacing an existing grip, carefully remove it from the firearm.
3. **Align the Grip:** Position the new AR15 Recoil Reducing Pistol Grip on the firearm.
4. **Secure the Grip:** Use the original mounting hardware to securely attach the grip.
5. **Check Stability:** Ensure that the grip is firmly attached and does not wobble.

### Usage

- Hold the grip firmly with your dominant hand, ensuring that your fingers are positioned correctly on the trigger.
- Maintain a proper stance and grip to maximize control and minimize recoil.
- Practice regularly to become familiar with the grip and improve your shooting technique.
- Always follow firearm safety rules and guidelines while using the grip.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic and polymer materials.
- Do not dispose of the grip in a manner that could pose a risk to the environment or public safety.
- If the grip is damaged or no longer usable, consider recycling it if possible.

## **Contact Information for Further Support**

For any safety inquiries or support related to the AR15 Recoil Reducing Pistol Grip, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable shooting experience. Thank you for your commitment to safety and responsible firearm use.
