Safety Instruction Guide for SIDE SADDLE GEN 2 MRW

Introduction

Thank you for choosing the SIDE SADDLE GEN 2 MRW. This product is designed to enhance your shotgun's functionality while ensuring safety and reliability. Please read this safety instruction guide carefully before use to ensure proper handling and maintenance.

General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure the SIDE SADDLE GEN 2 MRW is compatible with your shotgun model before installation.
- Regularly inspect the product for any signs of wear or damage.
- Store the product in a safe, dry place away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories and usage.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the SIDE SADDLE GEN 2 MRW is directly fitted to Mossberg 500/590 12GA. Other models such as Maverick 88, Remington 870, and Winchester SXP may require modifications.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which may lead to malfunction.
- **Screw Tightening:** Do NOT over tighten screws during installation. Stripped holes and broken screw heads are NOT covered under warranty.
- **Shell Holder Capacity:** The SIDE SADDLE can hold up to 9 shells. Do not exceed this capacity to maintain balance and safety.
- **Usage:** Always ensure the firearm is unloaded when attaching or detaching the SIDE SADDLE GEN 2 MRW.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Gather necessary tools: screwdriver and any required hardware.

2. Installation:

- Locate the tapped receiver on your Mossberg 500/590.
- Align the SIDE SADDLE GEN 2 MRW with the tapped receiver.
- Insert screws into the designated holes and tighten gently. Ensure not to over tighten.
- Confirm that the shell holders are securely mounted and positioned as desired.

3. Usage:

- Load shells into the holders as needed, ensuring they are secure.
- When using the shotgun, maintain a firm grip and ensure the SIDE SADDLE does not obstruct your handling of the firearm.
- After use, unload the shotgun and check the SIDE SADDLE for any signs of wear or damage.

Disposal Instructions

- Dispose of the SIDE SADDLE GEN 2 MRW in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For any safety inquiries, installation support, or product concerns, please refer to the manufacturer's official website or contact your local distributor. Ensure to have your product details ready for assistance.

By following these guidelines, you can ensure a safe and effective experience with your SIDE SADDLE GEN 2 MRW. Always prioritize safety and compliance with local regulations when using firearm accessories. Thank you for your attention to safety!
