

SIDELOK MODULAR OPTICS MOUNT RING KITS - KINETIC DEVELOPMENT GROUP 1 MODULAR OPTICS MOUNT RING SET

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Designed for Use With Different Scopes

Got a scope you want to attach with the KDG SIDELOK mounting system? No problem! This Modular Optics Mount gives users all the components needed to mount an optic to the innovative SIDELOK system with ease. Each KDG Modular Optics Mount ships with a pair of scope rings, four mounting screws and thread-locking compound, allowing optics to be attached to the SIDELOK system without any issue. Once attached, the optic can be easily removed and re-mounted without losing zero, thanks to the innovative two-level locking system found on the KDG mount. Scope rings are available for optics with main-body tubes measuring 1 inch, 30mm and 34mm. The 1-inch and 30mm scope rings have a height of 1.49 inches, while the 34mm scope rings have a height of 1.55 inches. All the KDG rings feature an anodized black finish.

Attributes

- Name: [KINETIC DEVELOPMENT GROUP 1 MODULAR OPTICS MOUNT RING SET](#)
- Manufacturer: [KINETIC DEVELOPMENT GROUP](#)
- Product no.: 100035904
- Mfr. No.: SID5-510
- Finish: Black
- Height: 1.49"
- Scope Tube Diameter: 1"
- Style: Picatinny
- Delivery weight: 0.142kg
- Shipping height: 38mm
- Shipping width: 76mm
- Shipping length: 127mm
- UPC: 851064007685

Consumer Safety Instruction Guide for SIDELOK Modular Optics Mount Ring Kits

Introduction

Thank you for choosing the SIDELOK Modular Optics Mount Ring Kits from Kinetic Development Group. This guide provides essential safety information to ensure the proper and safe use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any visible damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or damage, cease use immediately and contact the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the SIDELOK Modular Optics Mount with compatible optics as specified in the product description.
- Ensure that the mounting screws are tightened securely to prevent any movement of the optic during use.
- Do not exceed the recommended weight limit for the optic being mounted.
- Use the provided threadlocking compound to secure screws and prevent loosening due to recoil.
- Avoid using the product in extreme temperatures or environmental conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all components included in the kit: scope rings, mounting screws, and threadlocking compound.
- Ensure you have the appropriate tools for installation (e.g., screwdriver).

2. Installation Steps:

- Identify the optic you wish to mount and ensure it is compatible with the SIDELOK system.
- Align the scope rings with the mainbody tube of the optic. Ensure the diameter matches (1 inch, 30mm, or 34mm).
- Place the optic into the rings and adjust to the desired position.
- Insert the mounting screws into the rings and tighten them securely using the screwdriver.
- Apply a small amount of threadlocking compound to the screws before final tightening to ensure they remain secure.
- Once installed, check the alignment and ensure the optic is properly secured.

3. Usage:

- After installation, test the optic to ensure it is functioning correctly and holds zero.
- If you need to remove the optic, follow the reverse installation steps, ensuring to keep track of all components.

- When remounting, repeat the installation steps to ensure secure attachment.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- When the product reaches the end of its life, dispose of it responsibly. Check local regulations for proper disposal methods for nonfood products.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the SIDELOK Modular Optics Mount Ring Kits, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety and for choosing the SIDELOK Modular Optics Mount Ring Kits. Enjoy your experience with your new product!
