

# SIDELOK MODULAR OPTICS MOUNT RING KITS - KINETIC DEVELOPMENT GROUP 34MM MODULAR OPTICS MOUNT RING SET

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## An Optics Mount Designed for Use With Different Scopes

Got a scope you want to attach with the KDG SIDELOK mounting system? No problem! This Modular Optics Mount gives users all the components needed to mount an optic to the innovative SIDELOK system with ease. Each KDG Modular Optics Mount ships with a pair of scope rings, four mounting screws and thread-locking compound, allowing optics to be attached to the SIDELOK system without any issue. Once attached, the optic can be easily removed and re-mounted without losing zero, thanks to the innovative two-level locking system found on the KDG mount. Scope rings are available for optics with main-body tubes measuring 1 inch, 30mm and 34mm. The 1-inch and 30mm scope rings have a height of 1.49 inches, while the 34mm scope rings have a height of 1.55 inches. All the KDG rings feature an anodized black finish.

## Attributes

- Name: [KINETIC DEVELOPMENT GROUP 34MM MODULAR OPTICS MOUNT RING SET](#)
- Manufacturer: [KINETIC DEVELOPMENT GROUP](#)
- Product no.: 100035905
- Mfr. No.: SID5-534
- Finish: Black
- Height: 1.55"
- Scope Tube Diameter: 34mm
- Style: Picatinny
- Delivery weight: 0.127kg
- Shipping height: 38mm
- Shipping width: 83mm
- Shipping length: 114mm
- UPC: 851064007692

# Safety Instruction Guide for SIDELOK Modular Optics Mount Ring Kits

## Introduction

Thank you for choosing the SIDELOK Modular Optics Mount Ring Kits by Kinetic Development Group. This guide provides essential safety information and instructions to ensure the safe and effective use of your optics mount. Please read and understand this guide before using the product.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in mounting optics. Ensure that you follow the instructions to avoid any risks associated with improper use.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices. Please check for updates regularly.
- **Online Shopping:** If you purchased this product online, you have the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about any safety updates regarding this product through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to damage to the optic or firearm.
  - Failure to secure the optic properly can result in loss of zero and potential injury.
- **Avoiding Hazards:**
  - Always ensure that the mounting screws are tightened to the manufacturer's specifications.
  - Inspect the mount and rings regularly for any signs of wear or damage.
  - Do not exceed the recommended weight limit for optics.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all components: scope rings, mounting screws, and threadlocking compound.
- Ensure that your firearm is unloaded and safe to handle.

### 2. Installation:

- Select the appropriate scope rings based on the tube diameter of your optic (1 inch, 30mm, or 34mm).
- Place the scope rings on the SIDELOK mount according to the manufacturer's instructions.
- Insert the mounting screws through the rings and into the mount.
- Use the threadlocking compound on the screws to secure them in place.
- Tighten the screws to the recommended torque specifications to ensure a secure fit.

### 3. Usage:

- Once installed, you can easily attach and detach the optic without losing zero due to the twolevel

locking system.

- Regularly check the tightness of the screws and the condition of the rings during use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer usable, please follow local guidelines for the disposal of nonfood products.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your SIDELOK Modular Optics Mount Ring Kits, please refer to the retailer or manufacturer's contact information provided at the point of purchase.

Thank you for following these safety instructions. Enjoy using your new optics mount safely and effectively!
