

SIDELOK MODULAR OPTICS MOUNT RING KITS - KINETIC DEVELOPMENT GROUP 30MM MODULAR OPTICS MOUNT RING SET

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Designed for Use With Different Scopes

Got a scope you want to attach with the KDG SIDELOK mounting system? No problem! This Modular Optics Mount gives users all the components needed to mount an optic to the innovative SIDELOK system with ease. Each KDG Modular Optics Mount ships with a pair of scope rings, four mounting screws and thread-locking compound, allowing optics to be attached to the SIDELOK system without any issue. Once attached, the optic can be easily removed and re-mounted without losing zero, thanks to the innovative two-level locking system found on the KDG mount. Scope rings are available for optics with main-body tubes measuring 1 inch, 30mm and 34mm. The 1-inch and 30mm scope rings have a height of 1.49 inches, while the 34mm scope rings have a height of 1.55 inches. All the KDG rings feature an anodized black finish.

Attributes

- Name: [KINETIC DEVELOPMENT GROUP 30MM MODULAR OPTICS MOUNT RING SET](#)
- Manufacturer: [KINETIC DEVELOPMENT GROUP](#)
- Product no.: 100035906
- Mfr. No.: SID5-530
- Finish: Black
- Height: 1.49"
- Scope Tube Diameter: 30mm
- Style: Picatinny
- Delivery weight: 0.117kg
- Shipping height: 32mm
- Shipping width: 76mm
- Shipping length: 127mm
- UPC: 851064007708

Safety Instruction Guide for SIDELOK MODULAR OPTICS MOUNT RING KITS

Introduction

Thank you for choosing the SIDELOK Modular Optics Mount Ring Kits by Kinetic Development Group. This guide provides essential safety instructions to ensure the safe use of your product. Please read and follow these instructions carefully to avoid any potential hazards.

General Safety Guidelines

- **Product Safety:** This product has been designed to ensure safe use. Always use the product as intended and in accordance with these guidelines.
- **Enhanced Recalls:** In the unlikely event of a product recall, standardized notices will be provided. Please stay informed about recalls through official channels.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when children are present. Keep the product out of reach of young children.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU-based contact point.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Inspection:** Before each use, inspect the mount and rings for any signs of wear or damage. Do not use if damaged.
- **Weight Limit:** Ensure that the total weight of the optic does not exceed the manufacturer's specifications.
- **Installation Surface:** Always install the mount on a stable and secure surface to prevent accidents.
- **Secure Attachment:** Ensure that all screws are tightened securely before use to prevent detachment during operation.
- **Avoid Overtightening:** Overtightening screws can damage the mount or optic. Follow the manufacturer's torque specifications.
- **Environmental Conditions:** Avoid using the mount in extreme weather conditions that may affect performance.

Instructions for Installation and Usage

1. **Gather Tools:** You will need a screwdriver compatible with the screws provided.
2. **Prepare the Mount:**
 - Place the mount on the desired location on your firearm.
 - Ensure that the mounting surface is clean and free from debris.
3. **Attach the Scope Rings:**
 - Open the scope rings and place them around the main body of the optic.
 - Align the rings with the mount.
4. **Secure the Mount:**
 - Insert the provided screws into the mount's holes.
 - Tighten the screws using the screwdriver. Ensure they are secure but do not overtighten.
5. **Check Alignment:**
 - Ensure that the optic is level and properly aligned.
 - Make any necessary adjustments before final tightening.
6. **Final Check:**

- Once installed, check all screws and the security of the mount.
- Perform a function check to ensure everything operates as expected.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations and environmental guidelines.
- **Recycling:** If applicable, separate any recyclable materials from nonrecyclable components.

Contact Information for Further Support

For any questions or concerns regarding safety or usage of the SIDELOK Modular Optics Mount Ring Kits, please refer to the appropriate EUbased contact point for assistance.

Thank you for ensuring your safety and the safety of others while using the SIDELOK Modular Optics Mount Ring Kits.
