

# MLOK UNIVERSAL OFFSET MOUNT - KINETIC DEVELOPMENT GROUP

## MLOK UNIVERSAL OFFSET MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

### An Accessory Attachment System That Allows for Fast, Easy Customization

What if you could reconfigure your go-to platform in seconds, depending on what you needed for a competition or a mission? Thanks to the KDG Kinect M-LOK Universal Offset Mount, firearm owners can attach lights, lasers and other accessories in seconds, thanks to the unique setup of the Kinect system. Designed for use on M-LOK rails that meet original Magpul M-LOK specifications, each KDG Kinect M-LOK Universal Offset Mount features two spring-loaded tabs that automatically lock into place once a rail segment is pushed onto an M-LOK accessory-attachment slot. To remove the Kinect, simply push the release buttons on each side of the rail segment. A specific mounting point sized for the SureFire Scout light is built into the rail system, allowing users to quickly and easily mount a solid illumination tool. Each KDG Kinect M-LOK Universal Offset Mount weighs just 1.1 ounces, and the company warns consumers that this mounting system may not work on M-LOK attachment slots cut into polymer handguards, due to differences in thickness between polymer and aluminum M-LOK forends.

### Attributes

- Name: [KINETIC DEVELOPMENT GROUP MLOK UNIVERSAL OFFSET MOUNT](#)
- Manufacturer: [KINETIC DEVELOPMENT GROUP](#)
- Product no.: 100035907
- Mfr. No.: KIN5-135

# Safety Instruction Guide for MLOK Universal Offset Mount

## Introduction

Thank you for choosing the Kinetic Development Group MLOK Universal Offset Mount. This guide provides essential safety instructions, installation guidelines, and best practices to ensure safe and effective use of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or unusual behavior, stop using the product immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for accessories attached to the mount.
- Ensure that the mount is securely locked into place before attaching any accessories.
- Avoid using the mount on polymer handguards that do not meet MLOK specifications, as this may lead to failure.
- Be cautious when removing accessories; ensure that the release buttons are fully engaged to prevent accidental release.
- Always verify that the SureFire Scout light or any other accessory is compatible with the mount before installation.

## Instructions for Installation and Usage

### 1. Installation

- Identify the MLOK rail segment where you wish to attach the mount.
- Align the two springloaded tabs of the KDG Kinect MLOK Universal Offset Mount with the MLOK accessory attachment slot.
- Push the mount onto the rail segment until the tabs lock into place. You should hear a click indicating that the mount is secured.
- To remove the mount, press the release buttons on each side of the rail segment and gently pull the mount away.

### 2. Usage

- Once installed, attach your desired accessory (e.g., lights, lasers) to the mount.
- Ensure that the accessory is securely fastened and does not obstruct the operation of the firearm.
- Regularly check that the mount and accessories are secure before each use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and plastic materials.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any potential hazards.

## **Contact Information for Further Support**

For any questions or concerns regarding the KDG Kinect MLOK Universal Offset Mount, please refer to the manufacturer's website or customer service resources. Ensure you have your product details ready for efficient assistance.

## **Conclusion**

By following this safety instruction guide, you can ensure the safe and effective use of your Kinetic Development Group MLOK Universal Offset Mount. Always prioritize safety and compliance with the EU General Product Safety Regulation to protect yourself and others. Thank you for your attention to these guidelines.
