# Safety Instruction Guide for the AR15 Upper Receiver Vise Block

## Introduction

Thank you for choosing the AR15 Upper Receiver Vise Block by Obsidian Arms. This product is designed to securely hold your AR15 upper receiver in a bench vise, allowing for safe and efficient assembly or maintenance. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the vise block is compatible with your specific AR15 upper receiver model.
- Always inspect the vise block for any signs of damage or wear before use.
- Use the vise block only for its intended purpose, which is to hold AR15 upper receivers.
- Keep the vise block out of reach of children and vulnerable individuals.
- Avoid using the vise block in wet or damp conditions to prevent slipping or accidents.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using tools and equipment.
- Ensure that the bench vise is securely fastened to a stable work surface before use.
- Do not overtighten the vise block, as this may cause damage to the upper receiver or the vise block itself.
- When inserting or removing the locking pins, do so with caution to avoid pinching fingers.
- Never leave the vise block unattended while in use.
- If you notice any unusual sounds or movements while using the vise block, stop using it immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Secure the bench vise to a stable work surface.
- Place the AR15 Upper Receiver Vise Block into the jaws of the bench vise.
- Ensure the vise block is positioned correctly to hold the upper receiver securely.

### 2. Usage:

- Slide the AR15 upper receiver onto the vise block.
- Insert the provided locking pins into the designated holes on the vise block to secure the upper receiver in place.
- Once secured, you can proceed with your assembly or maintenance tasks.
- After use, carefully remove the upper receiver and locking pins from the vise block.

## Disposal Instructions

- Dispose of the vise block in accordance with local regulations.
- If the vise block is damaged or no longer usable, consider recycling it if possible, as it is made from highdensity polyethylene (HDPE).
- Do not dispose of the vise block in regular household waste if it can be recycled.

## **Contact Information for Further Support**

For any inquiries or support related to the AR15 Upper Receiver Vise Block, please reach out to your local distributor or retailer. They can provide assistance and answer any questions you may have.

Thank you for your attention to these safety instructions. Enjoy using your AR15 Upper Receiver Vise Block safely and responsibly!
